RE: 2001 Uniform Business Report

To Whom it May Concern:

Enclosed please find The 2001 Uniform Business Report for BeholdereEye Studios. We received this report in the beginning of the second week of July. Although we have not changed our address, we never received a report previous to this. Upon receipt of this report we thought that it was the first request. Upon further scrutiny today, we realized that the September due date prominent on the cover was not the first due date. My husband and I each have a business and the reports go to the same address. Neither were received prior to the second week of July.

Had we had the report we certainly would have sent it before May. Being newly incorporated, the filing dates were not apparent to us without the report. In future you will see that we will file before May even if we do not receive the report, if necessary using the online route. We are enclosing the \$150 fee and have mailed this to you as soon as we realized.

We are truly sorry for the delay and we hope and thank you in advance for your understanding in this matter.

Cynthia L. Carr
