SUBJECT: VOLATILE FILMS
Ref. Number: W01000013607

We have received your document for VOLATILE FILMS and your check(s) totaling \$87.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

Your mark contains word(s)/design(s) that must have a disclaimer. All geographical terms, such as cities, states, countries, and designs of same, must be disclaimed. Some commonly used words and corporate suffixes must also be disclaimed.

The specimens provided this office are not acceptable; we need three permanent specimens, which may be the same or different. We do not accept photocopies or camera ready copies. We do not accept specimens which have been altered or defaced in any manner. In order to register your service mark, we need specimens from which we can determine the services being rendered. We will accept brochures, newspaper, or magazine advertisements, or business cards. If business cards are used, we must be able to determine from the business card the services offered. The mere mark, address, city, etc., on the business card, brochure, or advertisement is not acceptable -- we must be able to look at the specimens provided and be able to determine the services being rendered. We need specimens for each class of registration. We DO NOT accept letterhead, stationery, envelopes, invoices or mailing labels.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 487-6051.

COMMENTS: Please grant Volatile films another extension

of 30 days to produce our business cards. They
are rather unique and only one company, I know,
can do them. The person I am working with, a
middleman, is having difficulty reading the disk
that was presented to copy the logo. Unfortunately
they are not computer literate and will not allow
us to go directly to the company that is doing the
card. Also "Sir Speedy" is presently moving their
offices (building being closed down) so that adds
to this whole problems.
