WHEREAS, Assignee wish to obtain an assignment of any and all rights Assignor has or may have to the Marks and the goodwill associated therewith and Assignor wish to assign all such rights to the Marks and goodwill associated with the Marks to Assignee.;

SECTION 1. ASSIGNMENT

1.01. Assignor hereby irrevocably contributes, grants, sells, conveys, transfers, assigns, releases, and delivers to Assignee, its successors, assigns, and legal representatives, all right, title, and interest, throughout the States of Florida, Georgia, North Carolina, South Carolina, Tennessee, Virginia, and all other states and locations throughout the world, to the Marks, including common law and state law rights, all state registrations and applications for registration thereof (if any), all federal registrations and applications for registration thereof (if any), and all goodwill associated therewith, together with all rights to file applications directed to and obtain registrations for, and bring actions and recover damages for any and all past, present and future infringements of the Marks in any and all jurisdictions throughout the world, including all rights as opponents in any opposition.

Assignor agrees to provide Assignee with any materials and to execute any documents that Assignee believes would be beneficial to evidence the transfer of rights to the Marks, and to further the filing, prosecution or maintenance of any applications to register the Marks.

2.02. Assignor agrees to promptly furnish to Assignee, if requested by Assignee, written documentation evidencing (i) Assignor's first use(s) of the Marks on or in connection with Assignor's business(s), and (ii) Assignor's continuing use(s) of the Marks up to and including the Effective Date.

3.01.2 This Agreement does not and will not (i) violate or conflict with, result in a breach of, or constitute (with

or without notice or lapse of time or both) a default under any agreement, verbal, implied, written or otherwise, or other instrument to which Assignors are a party or by which Assignors are bound, or (ii) results in the creation or imposition of any lien, charge or encumbrance upon the Marks.

3.01.3 Assignor has continuously used the Marks, either directly or through suitable licensing arrangements, since its adoption and has not abandoned the Marks.
