SUBJECT: AIRMD  
Ref. Number: T08000000481

We have received your document for AIRMD and your check(s) totaling \$96.25. However, the enclosed document has not been filed and is being returned for the following correction(s):

I cannot accept this form. Please submit full page forms not postage stamp documents. This is unacceptable. This is nearly too tiny to read. I am enclosing a new renewal form for you.

Section 495.071(4), F.S., which became effective January 1, 2007, requires all renewal applications to include a specimen (sample) showing the actual use of the mark on or in connection with the goods or services.

If the mark is a trademark registered under classes 1-34, submit one of the following: a label, tag, decal, container, box, wrapper, etc.

If the mark is a service mark registered under classes 35-45, submit one of the following: a newspaper advertisement, brochure, flyer, business card, etc.

For bulky specimens, we will accept a legible photograph clearly showing the mark as well as the good(s) and/or service(s) the mark is being used in connection with.

NOTE: Only one specimen is required. The name and/or design shown on the specimen must be identical to the name and/or design registered without office. We DO NOT accept letterhead or stationery.

Please attach your specimens to a copy of this letter or to your corrected application, if it was returned to you for correction(s), and return it/them to this office for processing.

Pursuant to s. 495.035(5), F.S., this application will be considered abandoned if the applicant fails to reply or resubmit the corrected/amended application within three months from date of this letter.

If you have any questions concerning the filing of your document, please call (850) 245-6051.
