# SUNSHINE GASOLINE DISTRIBUTORS, INC.

“

Sunshine Gasoline Distributors is a leader in the gasoline distribution and fuel marketing industry recognized for its commitment to excellence, employee-focused and family operation.”

MAXIMO ALVAREZ  
President, Sunshine Gasoline Distributors, Inc.

Sunshine Gasoline Distributors, Inc. opened its doors for business in 1987 and has been growing with the South Florida community ever since. The company was founded by owner and president, Maximo Alvarez, a Cuban native transplanted to Miami at the age of thirteen via Operation Pedro Pan. Mr. Alvarez has contributed his success to his humble roots and strict belief in helping those of the community less fortunate than ourselves. Sunshine Gasoline laid the foundation for its vast distributorship network by being the only company in town with a no-nonsense, truthful attitude and the ability to do business on a handshake.

Although details have changed over the past years, the principals remain the same. Throughout its life, Sunshine Gasoline has enlisted the aid of former major oil company employees to contribute to the 40 plus years of experience in the business. The combined knowledge and experience allows the company a leading edge and remarkable insight to the world of light oils retailing. Sunshine shares this knowledge freely and is greatly used to the benefit of all of their clients and business partners.
