GEREASE OFF, ENVISOL, IN-CIDE, SPRAY & CLEAN, BRIGHT SHEEN & 6
OTHER MARK RENEWALS
Ref. Number: W10000040906

We have received your document for UNIVERSAL STRIPPER, ABILITY DEO-PINE, SHINE-O-GLASS, TROPIC BREEZE, WAX-O-WASH, MAGIC OVEN CLEANER, BIG JIM, GEREASE OFF, ENVISOL, IN-CIDE, SPRAY & CLEAN, BRIGHT SHEEN & 6 OTHER MARK RENEWALS and check(s) totaling \$1662.50. However, your check(s) and document are being returned for the following:

The notary public's acknowledgement is incomplete. The seal, signature, and expiration date must be affixed. A notary public cannot notarize his own signature.

The specimen you submitted to renew your trademark is not acceptable. We need one permanent specimen. We do not accept camera ready copies or specimens which have been altered or defaced in any manner. To renew your trademark, we need one label, decal or tag that is affixed to the actual good(s) or product(s). We will accept one legible photograph of the good(s) or product(s) with the specimen affixed. If the mark is a publication, newspaper, magazine, or column, we need one publication. If your mark is registered under more than one class, we need one specimen for each class. We DO NOT accept letterhead, stationery, envelopes, invoices or mailing labels.

Please attach your specimen(s) to a copy of this letter or to your corrected application, if it was returned to you for correction(s), and return it/them to this office for processing.

The notary is missing for all of the trademark renewals. We do not accept camera ready specimens.

Pursuant to s. 495.035(5), F.S., this application will be considered abandoned if

 "Solutions For A Cleaner World"™

EMERGENCY RESPONSE NUMBER: 1-800-255-3924

Shield is a foamy all purpose cleaner, polish and protective coating formulated with silicone used to clean and protect furniture, plastic, wood, vinyl, rubber and leather from water, dirt, fingerprints, stains, spills, etc. Shield offers protection from ultra-violet rays and oxidizers which deteriorate surfaces, fade colors and cause soft materials to harden and crack.

DIRECTIONS:

- For best results spray on rag, not surface.
- Heavily soiled surfaces - thoroughly clean surface first. Application area should be completely dry.
 - Interior surfaces such as seats, dash area, door panels, etc. spray and let set for a short period of penetration. Lightly buff with a clean dry cloth.
 - Exterior surfaces such as tires, bumpers, leather, and vinyl tops - simply spray and let set. No buffing required.
 - Other applications - apply Shield and let set. Lightly buff away excess.

CAUTION

KEEP OUT OF REACH OF CHILDREN

Avoid spills and overspray on floors as slippery conditions will result. Where overspray is a problem, apply Shield first to a cloth. Contents under pressure. Do not puncture or incinerate container. Do not expose to heat, sparks, or open flame. Do not store at temperatures above 120° F. as container may burst.

FIRST AID:

If Swallowed: Do not induce vomiting. Drink large amounts of water. Get medical attention.
Eye Contact: Flush eyes with water for at least 15 minutes. Get medical attention if irritation persists.
Skin Contact: Wash affected areas with soap and water. Get medical attention if irritation persists.
Contains: Water (7732-18-5), dimethylpolysiloxane (63148-62-9), sodium nitrite (7632-00-0), propane (74-98-6), butane (106-97-8).
