Testimonials

Here's what just some of our clients have said:

"For professional assistance I can't recommend Dryeco enough, I've been delighted by the outcome."

— Magazine — Barbara M. M. Bear

Gentle on your skin. Gentle on your clothes.

95% of the cleaners in Florida clean your clothes with toxic products.

Isn't it terrifying to know that the clothes you wear all day or the comforter you sleep in has been soaked in toxic PERC - A petroleum-based volatile compound that has been qualified as a "possible to probable carcinogen" by the Environmental Protection Agency.
