SUBJECT: A & B PIPE AND SUPPLY & DESIGN OF TWO WAVES THE
LOGO'S (A) BLUE WAVES AND LETTERS WITH WHITE BACKGROUND (B)
WHITE WAVES AND LETTERS WITH BLUE BACKGROUND
Ref. Number: W17000057262

We have received your document for A & B PIPE AND SUPPLY & DESIGN OF TWO WAVES THE LOGO'S (A) BLUE WAVES AND LETTERS WITH WHITE BACKGROUND (B) WHITE WAVES AND LETTERS WITH BLUE BACKGROUND and your check(s) totaling \$175.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

You have indicated in number 1(c) of Part I of the application that the owner and applicant of the mark will be a business entity and not an individual. Therefore, you must delete the individual's name listed in number 1(a) of Part I and insert the correct name of the appropriate business entity.

Only one mark can be registered per application. This is a service mark not a trademark, you need to remove what is written in Part I 2(b) and Part I 2.(c) Trademarks. You are a distributor of these products, therefore in Part I 2(a) you need to state what you have in Part I 2.(b) and what you have in Part I 2(c) Trademarks should be in Service marks.

The description of the trademark or service mark, which is listed in Part III, cannot include such terms as and/or, with or without, sometimes includes, may be blue or white in color, etc. If your mark varies in color or individual components, then you must submit a separate application for each version of the mark. Please revise Part III of the enclosed application accordingly.

Class(es) "35" would appear applicable to your specific mark. Please delete the class(es) you have on line 2 (d) and insert the pertinent class(es) "35".

The specimens provided this office are not acceptable; we need three permanent specimens, **which may be the same or different**. We do not accept camera

ready copies. We do not accept specimens which have been altered or defaced in any manner. In order to register your service mark, we need specimens from which we can determine the services being rendered. We will accept brochures, newspaper, or magazine advertisements, or business cards. If business cards are used, we must be able to determine from the business card the services offered. The mere mark, address, city, etc., on the business card, brochure, or advertisement is not acceptable -- we must be able to look at the specimens provided and be able to determine the services being rendered. We need specimens for each class of registration. We DO NOT accept letterhead, stationery, envelopes, invoices or mailing labels.

Please attach your specimens to a copy of this letter or to your corrected application, if it was returned to you for correction(s), and return it/them to this office for processing.

Pursuant to s. 495.035(5), F.S., this application will be considered abandoned if the applicant fails to reply or resubmit the corrected/amended application within three months from date of this letter.

If you have any questions concerning the filing of your document, please call (850) 245-6051.

Dear Mrs. Causseaux,

Thank you for your letter dated July 11, 2017 indicating that we needed to change our first application to trademark A & B Pipe and Supply's logo. Based on your instructions we now enclose a new application with the following changes:

- (a) The new application is for a Service mark rather than a Trademark.
- (b) We are applying for only one version of our logo.
- (c) We changed from Classes 6 and 19 to "35 – Advertising."
- (d) We are submitting new specimens, i.e., Brochure Folios and 2 business cards as proof of the use of our logo.

In addition, since we originally sent a check for \$175.00 for two versions of our logo design, we now request a refund of \$87.50 because we are applying for one version of our logo.

If there are any problems or questions with our new application, please contact me immediately at 305-389-7473 or my assistant, Norma Knight at 561-886-0320.

Yours truly,

A handwritten signature in black ink, appearing to read 'Enrique J. Collazo'.
