WHAT IS A SALTY SIREN

An alluring goddess of the sea that can emerge from salt water radiant and enchanting, completely at one with the elements of nature in her state of beauty... Now for most of us this is an idea of fairy tales, haven't you ever wished you could be a mermaid? At very least most of us wish we could swim, sweat, shower and sleep and all the while look the perfect picture of a polished mythical sea goddess, but we know makeup is always a challenge to this possibility. Imagine being stranded on a desert island...with the love of your life, ...and a camera to document the experience. What 3 makeup items could you not be without? I'll bet mascara, lash curler, and/or brow pencil are on the list. Am I right? That's because eyelashes and eyebrows are really important to giving our face expression. If the eyes are said to be the windows to the soul, imagine the power of eyelashes to frame yours and make them a part of your day you simply wake up with for weeks to come. Eyelash and eyebrows shaped styled and designed to complement the face can correct asymmetry, balance facial structure and features, and take years off. Plus the time saving element to getting ready whether you wear makeup or choose not to is life-changing.
