You advised my mark falls under two classes, Class 25 for "Bandana's" & "Eye Masks", and Class 20 for "Pillows". Please delete the Class 20 for Pillows. The pillow is actually a hat pillow. Explanation of a hat pillow is an insert that fits into the hat to cool the head. I'm sorry, I did not explain this on my application. It is not a pillow the head would lay on as we know it. It is OK to delete this "pillow" from my application, as I do not know where it would fall.

In reference to the specimens provided. I would like to explain that, they are the original labels out of my printer that is inserted into the bag with my product. I was not aware that I should cut them apart. Please accept the labels for my product. They do not stick on the outside of the bag just inserted.

Thank you,
