## **HydroScience, Inc.**

**HydroScience** is an independent professional firm specializing in:

- Soils, Groundwater & Surface Water Investigations;
- Agricultural, Industrial & Regulated Substances Management;
- Hazardous & Solid Waste Management;
- Environmental Fate Studies; and
- Commercial Real Estate Services.

**HydroScience's** mission is to assure our clients that we care about their projects. We take pride in the services we offer and in the attention we pay to our clients' needs.

**HydroScience** offers the professional services needed to help meet the ever increasing number of federal, state, and local environmental and workplace regulations. Further, **HydroScience** understands that compliance with regulations, like any other business cost, must be budgeted. So, when a cost is budgeted for environmental or workplace security, we will not take the project or its budgeted cost lightly.

*At **HydroScience** providing cost-effective solutions will never mean compromising quality. Instead, we design our project approach to offer economy and value through efficiency and low overhead, not shortcuts.*

**Consider these qualifications:**

**Fully Licensed and Insured  
Approved Quality Assurance Plan  
Written Health and Safety Program  
Computerized Project Management Controls  
Complete Regulatory Library  
Operated by a Professional Geologist  
Satisfied Clients**

***Hard work, cost-effective solutions and responsibility are more than clichés and buzz-words, they are our commitment.***

For additional information about **HydroScience**, the services we offer, or a complete Statement of Qualifications call or write:
