Re: Subject: GEO International, Inc.

Letter No.: 696A00010864

Dear Ms. Lott:

On a prior occasion, and more specifically as per your date of March 12, 1996, and your return letter thereof, I attempted to register GEO International, Inc. as a foreign corporation in the State of Florida.

The documents as forwarded to your office were returned due to a conflict of name at that time.

Contact with your office has indicated that the name GEO International of Ohio, Inc. would be an acceptable name for filing in that the addition of the word Ohio would clearly set it apart from other filings.

As a result, I have prepared a Corporate Resolution signed by the officers of GEO International, Inc. authorizing that the name of GEO International of Ohio, Inc. be adopted for purposes of registration as a foreign corporation in the State of Florida.

I am therefore returning to your office, your response letter of March 12, 1996 together with a transmittal letter, a copy of the

State of Ohio Certificate of Registration, and the Application for Foreign Corporation Authorization to Transact Business in the State of Florida consisting of two pages.

The name has been corrected to indicate the name as GEO International of Ohio, Inc. and is properly executed in full.

I am also enclosing my check in the amount of \$70.00 to cover the registration fee involved in this matter.

Very truly yours,
