SUBJECT: AIR CONDITIONING ENGINEERS AND DESIGN OF A FLYING "A"
Ref. Number: W95000023757

We have received your document for AIR CONDITIONING ENGINEERS AND DESIGN OF A FLYING "A" and your check(s) totaling \$87.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

In Part III, you must write the exact wording of the mark. If the mark includes a logo or design, a brief written description must be provided.

The specimens provided this office are not acceptable; we need three permanent specimens. We do not accept photocopies or camera ready copies. We do not accept specimens which have been altered or defaced in any manner. In order to register your service mark, we need specimens from which we can determine the services being rendered. We will accept brochures, newspaper, or magazine advertisements, or business cards. If business cards are used, we must be able to determine from the business card the services offered. The mere mark, address, city, etc., on the business card, brochure, or advertisement is not acceptable -- we must be able to look at the specimens provided and be able to determine the services being rendered. We need specimens for each class of registration.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (904) 487-6918.
