Indemnity: The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or contemplated action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Association by reason of the fact that he is or was a Director, employee, officer or agent of the Association, against expenses (including attorneys' fees, and appellate attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceeding, had no reasonable causa to believe his conduct was unlawful, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for gross negligence or

The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was lawful.

Advances: Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors in the specific case upon receipt of an undertaking by or on behalf of the Director, officer, employee or agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association as authorized in this Article. However, in the event such funds are advanced and it is subsequently determined by a court of competent jurisdiction that the Director, officer, employee or agent acted in bad faith or in a manner he reasonably believed to be opposed to the best interest of the Association, then, upon demand he shall be responsible to return to the Association, all such funds advanced on his behalf.

Miscellaneous: The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any by-law, agreement, vote of members or otherwise, both as to action in his official capacity while holding such office and as to a person who has ceased to be a Director, officer, employee, or agent and shall inure to the benefit of that person's heirs, personal representatives, successors and assigns.
