Re: P96000067478

In response to letter # 397A00031322

Dear Ms. Logan:

First let me say I hope I got the gender correct. I kept trying to remember the rule about the spelling of each and became even more confused. If I am wrong, Mr. Logan, my deepest apologies are also enclosed.

I have returned all of the paperwork that I have received to date. You will notice that I have enclosed the photocopies of the previous checks only because I would not want someone to pick it up and think - slammo - she's getting the \$385.00 penalty for not being on time. I truly could not afford that at this point.

I am beside myself about this. If you can imagine how horrifying it is to learn that your accountant can't spell the word dollar! Then to learn that he said he had taken care of it, charged me for the amendment and well here I am still trying to straighten it out with your help. Needless to say he is being replaced by a working unit.

No offense but I hope this is the last time we have to write to each other for business. If you'd like to remain pen pals that's different. But I truly hope that I am on my way to having all of the t's crossed and i's dotted because at this point my i's (eyes) that are crossed and I don't know where I've put my t's.

I appreciate all of your help - you are "worth your weight in gold" as far as I'm concerned. Thanks.

Sincerely,

Annie Maguire
