Dear Taxpayer:

This is in response to your request concerning the tax exempt status of your church.

We have researched our files and find no record of receiving an application from your organization. Section 508(c)(1)(A) of the Internal Revenue Code provides that churches are not required to apply for recognition of exemption under section 501(c)(3) of the Code. However, if a church wishes to receive a ruling or determination letter verifying its tax exempt status it must file application Form 1023 with the Internal Revenue Service. The application must show evidence that the church meets all requirements of section 501(c)(3) before a favorable ruling or determination letter can be issued.

If we can be of further assistance to you, please contact our office at the address shown above.

Thank you for your cooperation.

Sincerely yours,

Cynthia Smith
