The capital stock above mentioned refers to the invested capital represented by shares of stock outstanding.

§10.09. Duties of Secretary of State.—The Secretary of State shall prescribe the form and furnish the blanks upon request to make the annual reports called for in this law. The Secretary of State shall examine the reports when received and if the information called for is given in such reports he shall file the same as information and keep such reports as public records. He shall pay into the State Treasury to be used for such purposes as the legislature may determine all moneys collected under the provisions of this law. Such amounts for printing form, postage, files, clerical and other expenses found to be actually necessary in carrying out the provisions of this law are appropriated from such funds not to exceed Fifteen Thousand Dollars annually.

§10.10. Mailing of notices to corporation.—The Secretary of State shall cause a notice of the requirement of this law to be mailed to the last known address of every corporation doing business in the State of Florida which shall fail to file within thirty days after July first, the report called for in this chapter or pay the filing fee of tax imposed. Every corporation which shall fail to comply with the provisions of this law within three months after July 1st of each year shall be deemed to be no longer exercising its charter or corporate privilege in this state; provided, however, in case of any Florida corporations having been organized less than twelve months prior to July 1st of any year in which the reports are due to be filed and the tax due to be paid and in case of any foreign corporation which has been authorized to do business in Florida for less than twelve months at the time the report is due to be made and the tax is due to be paid, then in that event, the tax due for that year shall be pro rated according to the number of months the corporation has been in existence or authorized to do business in this state.

§10.11. Penalty for failure to file report.—Any corporation failing to comply with the provisions of this law for six months shall not be permitted to maintain or defend any action in any court of this state until such reports are filed and all fees due under this chapter paid.

§10.12. Bankrupt and dissolved corporations.—Nothing in this law shall be construed as to apply to a corporation that has been adjudged bankrupt or dissolved by order of the court; however, such corporations shall file a statement with the Secretary of State setting forth their status in this respect but shall not be required to pay a tax.

§10.13. Period to be covered by statement.—All statements required to be filed under this law shall be for the calendar year and shall be due to be filed on July first of such year and the tax payable thereon shall be due to be paid at that time.

§10.14. Corporations paying maximum fee.—Any corporation paying the maximum fee provided for in this chapter shall not be required to file any reports whatsoever as required by the provisions of this law.

§10.15. No par value stock; valuation.—In the event the shares of stock of any such corporation shall be no par value, then for the purposes of this law, each share shall be deemed or presumed to have a value of at least one hundred dollars per share, which presumption may be overcome by actual proof submitted to the Secretary of State. For the purposes of this law the Secretary of State shall make such investigation as he may consider necessary and increase or decrease the value of no par value stock as he may determine to be correct; and in so doing the Secretary of State may take into consideration all facts tending to show the fair market value of the stock including the sale price of the stock, the amount of the surplus of the corporation and such other pertinent facts as he may deem advisable.

Section 6. The following shall be exempt from the provisions of this Act: railroad companies, Pullman companies, telephone and telegraph companies, bank and trust companies, building and loan associations, insurance companies, co-operative marketing associations, and corporations not for profit; these corporations and the companies so exempt from the operation of this Act being regulated by or paying excise taxes under other provisions of law.
