RE: Document #P97000094741

Enclosed is the 1999 Corporate Annual Report and a check for \$150. This is being sent in response to the second notice for the annual report. I realize the report was due by May 1 however, the first notice was not received. The corporation has filed its previous annual report on time and as president of the corporation I strive to file all returns in a timely manner and can not understand how something like this could happen. I have taken steps to ensure this does not happen again.

Based on the above I would like to request the additional \$400 penalty not be charged and the report and payment be accepted as is. Thank you for your prompt attention in this matter.

Yours truly,

Anthony Manganelli
President
