To Whom It May Concern:

Today in the mail I received a copy of the 2000 Uniform Business Report from your office. Not understanding I called and was told that the report was late. When I investigated the matter, I found that I had written the check and mailed the report on April 16. Much to my surprise you did not receive it until last week.

A mistake on my part, I did not get a receipt of mailing, as I have been filing this report for several years and have never incurred a problem until now. I don't know why it was mailed April 16 but not received on time. The only thing I know is our Chamber of Commerce and City Officials notified us of a meeting they were having with our postmaster because of all the complaints of mail not being delivered or received. The result of the meeting was that they were going to try harder.

Not wanting to place the blame, as I should have a receipt of mailing, I am asking if there is a possibility of waiving the \$400.00 penalty. I am sure if you check all other state related taxes and fees that you will find East-West Travel pays on time.

Thank you in advance for your consideration in this matter.

Sincerely,

Sue Shelton

P.S. Also I would like to comment on the information I received by phone from your Division of Corporations. The phone was answered promptly and both parties I spoke with were very polite and extremely helpful.
