To whom it may concern:

As you know, we are a small corporation starting from the past year. When we receive this report, we get confused with other papers we been filled in the past, and thinking that this were paid. When we take those papers to the person that advised us, our accountant and he tell us that we suppose to send this report right away or we can loose our corporation, we need to contact your office as soon as possible. We call to your office and they tell us that we need to send a letter explained what happened and send a check for 150.00.

Please we need you to help us and understand us, we are making a big effort to grow in our business.

We are the parents of 3 kids, and we trying with a lot of work, to build our vision.

We ll be sure that in a future we will send this report at the exactly date. We ll be glad for everything you can do for us and our family.

Sincerely,

Milton J Lopez
