Department State of Florida

To whom it may concern:

I inform you that I never received a notice from you telling me that you go to dissolve, or revoke my corporation.

By now we are not doing any business in Florida yet. Management is thinking to start in the year of 2002.

Here is the application for reinstatement and also the \$150 fee.

If you have any questions please call me at (972) 659-0983 ext. 121.

Thank you.

Sylvia P. Miranda.
President.
