Pursuant to section 607.1502(4), 617.1502(4) or 608.502(4), Florida Statutes, this office collects a civil penalty of \$1000 for each year this entity transacted business or conducted its affairs in Florida prior to qualification and the appropriate annual report/uniform business report fees that would have been due this office had the entity qualified the year it began operations in this state. Enclosed please find a copy of section 607.1501, 617.1501, or 608.502, Florida Statutes, which lists those activities that do not constitute transacting business in this state. If after reviewing this section you determine erroneous information was inserted on the application, a notarized affidavit containing the following information must be submitted: 1.) a statement indicating erroneous information

was listed on the application; and 2.) the correct date the corporation began transacting business in Florida prior to the year the application was submitted did not constitute transacting business pursuant to section 607.1501, 617.1501 or 608.502, Florida Statutes.

Memorandum Office of the General Counsel

TO: File

FROM: Gerard York, Assistant General Counsel

DATE: December 12, 2001

RE: Medtemps, Inc. dba National Personnel Management, Inc.

Based on my review of the file and the information received from the corporation, as well as followup research, it is my recommendation that this file be closed. Medtemps, Inc., dba National Personnel Management, Inc., is a Louisiana Corporation representing that it has signed a contract with the United States Navy to provide health care personnel to the Navy in Florida. Under Leslie Miller, Inc. v. Arkansas, 352 U.S. 187 (1956), the United States Supreme Court essentially held that subjecting a federal contractor to Arkansas licensing policies would frustrate federal contracting policies in violation of the Supremacy Clause. Subsequent cases relying on Miller make clear that federal procurement law preempts application of state licensing requirements, and that a contractor performing work exclusively for the federal government is exempt from state licensing requirements. Gartrell Construction Incorporated v. Aubry, 940 F.2d 437 (9th Cir. 1991); G.L. Christian and Associates v. United States, 320 F.2d 345 (Ct. Cl. 1963); United States v. Montana, 699 F. Supp. 835 (D. Mont. 1988); United States v. Carter, 121 So.2d 433 (Fla. 1960). Accordingly, absent additional information, it would appear Medtemps, Inc. is exempt from filing under section 607.1501, Florida Statutes, and no annual report fees or penalties for the corporation's activities before the date of its application. Check Number 8528 in the amount of \$2300.00 should be returned, and the corporation should be issued a certificate of authority.
