Dear Ms. Cushings:

Per our conversation of 1/24/02, we were notified by our bank that in renewing our account receivable line of credit, they (as a matter of procedure) checked the corporate status' online with the Division of Corporations. They informed us that all three corporations were marked inactive.

We contacted the attorney who filed our incorporation with the state to determine if he had received any renewal documents from the state, as he was the registered agent and his address was the mailing address. He stated that he had not received any documents and the problem may have been due to his change in address and expiration of the time for forwarding mail.

Enclosed are the ubr filings for the three corporations in question per our conversation. Attached to each are two checks, representing the fees for 2001 and 2002. Anything you can do to expediate the processing would be greatly appreciated. Again, thank you for all your help on the telephone. It is refreshing to receive such excellent service.

Sincerely,

John A. Woodard
Member Manager
