The Association shall not pay dividends and no part of any income of the Association shall be distributed to its Members, directors or officers. The Association shall have all the powers of a non-profit corporation organized under the laws of the State of Florida, subject only to such limitations upon the exercise of such powers as are expressly set forth in these Articles, the Bylaws or the Declaration. The Association shall have the power and duty to do any and all lawful things which may be authorized, assigned, required or permitted to be done by the Declaration, these Articles or the Bylaws, and to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of the Association for the benefit of the Owners and for the improvement, operation, maintenance, repair and replacement of the Property and Areas of Common Responsibility.

Without limitation of the foregoing, the Association shall operate, maintain and manage the Master Surface Water Management System in a manner consistent with all applicable St. Johns River Water Management District (the "District") permits and applicable District requirements and rules, and shall assist in the enforcement of the provisions of the Declaration which relate to the Master Surface Water Management System. The Association shall levy and collect adequate assessments against the members of Association for the costs of maintenance and operation of the Master Surface Water Management System.

ARTICLE VI

MEMBERSHIP

Section 1. Each Owner (including Declarant) shall be a Member of the Association. The Association membership of each Member shall be appurtenant to and inseparable from the Lot or Unit giving rise to such membership, and any transfer of title to a Lot or Unit shall operate automatically to transfer to the new Member the membership in the Association appurtenant to that Lot or Unit. The interest, if any, of a Member in the funds and assets of the Association may not be assigned, hypothecated or transferred in any manner except as an appurtenance to the Member's Lot or Unit. Membership in the Association will be compulsory for all Members and membership shall continue, as to each Member, until such time as such Member transfers or conveys his fee simple interest in the Lot or Unit upon which his membership is based or until such fee simple interest is transferred or conveyed by operation of law, at which time the membership will be automatically pass to the grantee or transferee.

Section 2. The Association shall have two (2) classes of voting rights:

(a) Class A. Class A Members shall be all Members, with the exception of Declarant for so long as Declarant retains Class B Voting Rights. Each Class A Member shall have one (1) vote for each Lot or Unit owned by that Member.

(b) Class B. The sole Class B Member shall be Declarant. Until conversion of the Class B membership to Class A membership pursuant to Subsection (c) below, Declarant shall have three (3) votes for each Lot or Unit in the Property, plus three (3) votes for each prospective residential lot or condominium unit approved by the County for development or construction on the lands described on the land described on Exhibit "A" to the Declaration (whether or not such prospective residential lot or condominium unit has not been developed, constructed or annexed to the Declaration). Upon the adoption of these Articles, Declarant shall have two thousand six hundred seventy nine (2,679) Class B votes representing three (3) votes for each of the two hundred twelve (212) Lots in the First Development Phase plus three (3) votes for each of the six hundred eighty one (681) prospective residential lots or condominium units approved by the County for development or construction on the lands described on Exhibit "A" to the Declaration. In all, Declarant expects to develop and submit a total of eight hundred ninety three (893) residential lots or condominium units to the Declaration and to the jurisdiction of the Association, but Declarant shall not be required to do so. In the event Declarant elects at any time or from time to time, for any reason whatsoever, to exclude from potential annexation any one or more of the six hundred eighty one (681) prospective residential lots or condominium units approved by the County for development or construction on the lands described on Exhibit "A" to the Declaration, then Declarant will record notice of that election in the public records of the County and Declarant's Class B votes shall then be reduced by three (3) votes for each one of the prospective residential lots and condominium units so excluded from eligibility for annexation by Declarant. As each Lot or Unit in the Property is conveyed by Declarant to a Class A Member, Declarant's votes for that Lot or Unit shall lapse. The Class B membership will cease and be converted to a Class A membership as set forth in Section 3 of this Article."

Section 3. Declarant's Class B membership status will continue in effect during the period from the date of the Declaration until the earlier of the following:

(a) upon conveyance of the Lot or Unit to a Class A Member that causes the total number of votes held by all Class A Members to equal or exceed the number of votes held by the Class B Member; or

(b) seven (7) years after the date on which the Declaration is recorded in the public records of the County, or five (5) years after the date on which the last Supplemental Declaration annexing Additional Property to the Declaration is recorded in the public records of the County of, whichever event occurs later; or

BYLAWS

The Bylaws of the Association shall be adopted by the Board of Directors and may be altered, amended, or rescinded in the manner provided in the Bylaws.

ARTICLE XII

INDEMNIFICATION OF OFFICERS AND DIRECTORS

Section 1. The Association shall defend, indemnify and hold harmless any person of the Association who is made a party or is threatened to be made a party to any threatened, pending, or contemplated action, suit or proceedings, whether civil, criminal, administrative, or investigative, by

reason of the fact that he is or was a director, officer, committee member, employee or agent of the Association:

(a) From and against expenses (including reasonable attorneys' fees for pretrial, trial, or appellate proceedings), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with an action, suit, or proceeding (other than one by or in the right of the Association), if he acted in good faith, and, with respect to any criminal action or proceedings, he had no reasonable cause to believe his conduct was unlawful; and

(b) From and against expenses (including reasonable attorneys' fees for pretrial, trial, or appellate proceedings) actually and reasonably incurred by him in connection with the defense or settlement of an action or suit by or in the right of the Association, if he acted in good faith.

Section 2. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith, or, with respect to any criminal action or proceeding, that such person had reasonable cause to believe that his conduct was unlawful.

Section 3. Notwithstanding any other provision hereof to the contrary, no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable for gross negligence or misconduct in the performance of his duty to the Association.

Section 4. Any indemnification under Section 1 (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director or officer, committee member, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in Section 1. Such determination shall be made (a) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit, or proceeding, or (b) if such quorum is not obtainable, or even if obtainable and a quorum of disinterested Directors so directs, by a majority vote of Members of the Association.

Section 5. Expenses incurred in defending a civil or criminal action, suit, or proceeding shall be paid by the Association from time to time as incurred rather than only after the final disposition of such action, suit, or proceeding. Payment of such expenses shall be authorized by the Board of Directors in each specific case only after receipt by the Association of an undertaking by or on behalf of the director or officer to repay such amounts if it shall later develop that he is not entitled to be indemnified by the Association.

Section 6. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which the Association's directors, officers, committee members, employees or agents

may be entitled under the Association's bylaws, agreement, vote of Members or disinterested directors, or otherwise, both as to actions in their official capabilities and as to action in another capacity while holding such offices or positions, and shall continue as to a person who has ceased to be a director, officer, committee member, agent or employee and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 7. Notwithstanding the foregoing provisions, indemnification provided under this Article shall not include indemnification for any action of a director, officer, committee member, agent or employee of the Association for which indemnification is deemed to be against public policy. In the event that indemnification provided under this Article is deemed to be against public policy, such an event shall not invalidate or affect any other right or indemnification herein provided.

Section 8. The Association shall have the power, but shall not be obligated, to purchase and maintain indemnification insurance to provide coverage for any liability asserted against any director, officer, committee member, agent or employee of the Association in any of his capacities as described in Section 1, whether or not the Association would have the power to indemnify him or her under this Article.

Section 9. Any person requesting indemnification shall first look to any insurance maintained by the Association for indemnification against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement (as described above). The Association shall be obligated to indemnify such person (if entitled to indemnification by the Association) only to the extent such insurance does not indemnify such person. In the event that any expenses, judgments, fines, or amounts paid in settlement are paid pursuant to insurance maintained by such Association, the Association shall have no obligation to reimburse the insurance company.

ARTICLE XIII

INCONSISTENCY

In the event of any inconsistency between the terms and provisions contained in the Declaration and those contained in these Articles of Incorporation, the terms and provisions of the Declaration shall prevail.

ARTICLE XIV

REQUIRED APPROVALS

Notwithstanding anything in these Articles to the contrary, as long as there exists a Class "B" membership, if any one or more of HUD, FHA or VA requires approval or consent by it or them to annexation of additional property, any merger or consolidation involving the Association, the placing

of any mortgage lien on the Common Property, dedication to the public of any Common Property, any amendment of the Declaration, or dissolution of the Association, by any one or more of said agencies as a condition of making, insuring or purchasing loans on Lots or Units in the Property, and any such loan has been approved, insured or purchased by the applicable agency at the time of the proposed annexation, merger, consolidation, mortgaging, dedication, amendment or dissolution, then the required consent or approval shall be obtained.

ARTICLE XV

DISSOLUTION

In the event of termination, dissolution or final liquidation of the Association, the responsibility for the operation, maintenance repair and replacement of the Master Surface Water Management System must be transferred to and accepted by an entity which would comply with Section 40C-42.027, F.A.C., and be approved by the District prior to such termination, dissolution or liquidation.
