Article V.

Profit, Loss, and Distributions

- 5.1. Distributions of Cash Flow. Cash Flow of the Company available for distributions shall be distributed to the Interest Holders, when, as and if mutually agreed upon by the Members. Distributions shall be in proportion to Percentages, except as provided in Section 4.0.

- 5.2. Allocation of Profit or Loss. The annual Profit or Loss shall be allocated among the Interest Holders (whether or not available for distribution or distributed pursuant to Section 5.1) in proportion to their Percentages, except as provided in Section 4.0.

- 5.3. Regulatory Allocations.

5.3.1 *Qualified Income Offset.* No Interest Holder shall be allocated losses or deductions if the allocation causes an Interest Holder to have an Adjusted Capital Account Deficit. If an Interest Holder receives (1) an allocation of Loss or deduction (or item thereof) or (2) any distribution, which causes the Interest Holder to have an Adjusted Capital Account Deficit at the end of any taxable year, then all items of income and gain of the Company (consisting of a pro rata portion of each item of Company income, including gross income and gain) for that taxable year shall be allocated to that Interest Holder, before any other allocation is made of Company items for that taxable year, in the amount and in proportions required to eliminate the excess as quickly as possible. decrease of Minimum Gain, computed in accordance with Regulation Section 1.704-2(g). Allocations of gross income and gain pursuant to this Section 5.3.2 shall be made first from gain recognized from the disposition of Company assets subject to non-recourse liabilities (within the meaning of the Regulations promulgated under Code Section 752), to the extent of the Minimum Gain attributable to those assets, and thereafter, from a pro rata portion of the Company's other items of income and gain for the taxable year. It is the intent of the parties hereto that any allocation pursuant to this Section 5.3.2 shall constitute a "minimum gain charge back" under Regulation Section 1.704-2(f).

5.3.3 *Contributed Property and Book-Ups.* In accordance with Code Section 704(c) and the Regulations thereunder, as well as Regulation Section 1.704-1(b)(2)(iv)(d)(3), income, gain, loss, and deduction with respect to any property contributed (or deemed contributed) to the Company shall, solely for tax purposes, be allocated among the Interest Holders so as to take account of any variation between the adjusted basis of the property to the Company for federal income tax purposes and its fair market value at the date of contribution (or deemed contribution). If the adjusted book value of any Company asset is adjusted as provided herein, subsequent allocations of income, gain, loss, and deduction with respect to the asset shall take account of any variation between the adjusted basis of the asset for federal income tax purposes and its adjusted book value in the manner required under Code Section 704(c) and the Regulations thereunder.

5.3.4 *Code Section 754 Adjustment.* To the extent an adjustment to the tax basis of any Company asset pursuant to Code Section 734(b) or Code Section 743(b) is required, pursuant to Regulation Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of the adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases basis), and the gain or loss shall be specially allocated to the Interest Holders in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to that Section of the Regulations.

5.3.5 *Non-recourse Deductions.* Non-recourse Deductions for a taxable year or other period shall be specially allocated among the Interest Holders in proportion to their Percentages.

5.3.6 *Member Loan Non-recourse Deductions.* Any Member Loan Non-recourse Deduction for any taxable year or other period shall be specially allocated to the Interest Holder who bears the risk of loss with respect to the loan to which the Member Loan Non-recourse Deduction is attributable in accordance with Regulation Section 1.704-2(b).

5.3.7 *Guaranteed Payments.* To the extent any compensation paid to any Member by the Company is determined by the Internal Revenue Service not to be a guaranteed payment under Code Section 707(c) or is not paid to the Member other than in the Person's capacity as a Member within the meaning of Code Section 707(a), the Member shall be specially allocated gross income of the Company in an amount equal to the amount of that

compensation, and the Member's Capital Account shall be adjusted to reflect the payment of that compensation.

5.3.8 *Unrealized Receivables.* If an Interest Holder's Interest is reduced (provided the reduction does not result in a complete termination of the Interest Holder's Interest), the Interest Holder's share of the Company's "unrealized receivables" and "substantially appreciated inventory" (within the meaning of Code Section 751) shall not be reduced, so that, notwithstanding any other provision of this Agreement to the contrary, that portion of the Profit otherwise allocable upon a liquidation or dissolution of the Company pursuant to Section 5.4 hereof which is taxable as ordinary income (recaptured) for federal income tax purposes shall, to the extent possible without increasing the total gain to the Company or to any Interest Holder, be specially allocated among the Interest Holders in proportion to the deductions (or basis reductions treated as deductions) giving rise to such recapture.

5.3.9 *Withholding.* All amounts required to be withheld pursuant to Code Section 1446 or any other provision of federal, state, or local tax law shall be treated as amounts actually distributed to the affected Interest Holders for all purposes under this Agreement.

5.4. Liquidation and Dissolution.

5.4.1 If the Company is liquidated, the assets of the Company shall be distributed to the Interest Holders in accordance with the distribution provisions set forth in Section 5.1.

5.4.2 No Interest Holder shall be obligated to restore a Negative Capital Account.

5.5. General.

5.5.1 Except as otherwise provided in this Agreement, the Members shall determine the timing and amount of all distributions.

5.5.2 If any assets of the Company are distributed in kind to the Interest Holders, those assets shall be valued on the basis of their fair market value, and any Interest Holder entitled to any interest in those assets shall receive that interest as a tenant-in-common with all other Interest Holders so entitled. Unless the Members otherwise agree, the fair market value of the assets shall be determined by an independent appraiser who shall be selected by the Members. The Profit or Loss for each unsold asset shall be determined as if the asset had been sold at its fair market value, and the Profit or Loss shall be allocated as provided in Section 5.2 and shall be properly credited or charged to the Capital Accounts of the Interest Holders prior to the distribution of the assets in liquidation pursuant to Section 5.4.

5.5.3 All Profit and Loss shall be allocated, and all distributions shall be made to the Persons shown on the records of the Company to have been Interest Holders as of the last day of the taxable year for which the allocation or distribution is to be made. Notwithstanding the foregoing, unless the Company's taxable year is separated into segments, if there is a Transfer or an Involuntary Withdrawal during the taxable year, the Profit and

Loss shall be allocated between the original Interest Holder and the successor on the basis of the number of days each was an Interest Holder during the taxable year; provided, however, the Company's taxable year shall be segregated into two or more segments in order to account for Profit, Loss or to any other extraordinary non-recurring items of the Company.

5.6. Meetings of and Voting by Members.

5.6.1 A meeting of the Members may be called at any time by those Members holding fifty percent (50%) of the Percentages then held by Members. Meetings of Members shall be held at the Company's principal place of business or at any other place in Florida designated by the Person calling the meeting. Not less than ten (10) nor more than ninety (90) days before each meeting, the Person calling the meeting shall give written notice of the meeting to each Member entitled to vote at the meeting. The notice shall state the time, place and purpose of the meeting. Notwithstanding the foregoing provisions, each Member who is entitled to notice waives notice if before or after the meeting the Member signs a waiver of the notice which is filed with the records of Members' meetings, or is present at the meeting in person or by proxy. Unless this Agreement provides otherwise, at a meeting of Members, the presence in person or by proxy of Members holding more than 50 percent (50%) of the Percentages then held by Members constitutes a quorum. A Member may vote either in person or by written proxy signed by the Member or by his duly authorized attorney in fact.

5.6.2 Except as otherwise provided in this Agreement or otherwise required under the Act, the affirmative vote of Members holding more than fifty percent (50%) or more of the Percentages then held by Members shall be required to approve any matter coming before the Members.

5.6.3 In lieu of holding a meeting, the Members may vote or otherwise take action by a written instrument indicating the consent of those Members holding aggregate Percentages sufficient to approve the matter at a meeting.

5.7. Personal Services.

5.7.1 Except as provided in Article IV, Members shall not be required to perform services for the Company or be entitled to compensation for services performed for the Company, unless otherwise agreed to by members who hold more than 50% of the equity.

5.8. Duties of Parties.

5.8.1 Except as otherwise expressly provided in Section 5.8.2, nothing in this Agreement shall be deemed to restrict in any way the rights of any Member, or of any Affiliate of any Member, to conduct any other business or activity whatsoever, and the Member shall not be accountable to the Company or to any Member with respect to that business or activity even if the business or activity competes with the Company's business. The organization of the Company shall be without prejudice to their respective rights (or the rights of their respective Affiliates) to maintain, expand or diversify such other interests and

activities and to receive and enjoy profits or compensation therefrom. Each Member waives any rights the Member might otherwise have to share or participate in such other interests or activities of any other Member or the Member's Affiliates.

5.8.2 Each Member understands and acknowledges that the conduct of the Company's business may involve business dealings and undertakings with Members and their Affiliates. In any of those cases, those dealings and undertakings shall be at arm's length and on commercially reasonable terms.

5.9. Liability and Indemnification. The Company shall indemnify each Member for any act performed by the Member with respect to Company matters, as and to the full extent permitted by the Act.

Article VI.

Transfer of Interests, Withdrawals and Admission of Members

6.1. Transfers.

6.1.1 No Person may Transfer all or any portion of or any interest or rights in the Person's Membership Rights or Interest unless the following conditions ("Conditions of Transfer") are satisfied:

- (a) The Transfer will not require registration of Interests or Membership Rights under any federal or state securities laws;
- (b) The transferee delivers to the Company a written instrument agreeing to be bound by the terms of Article VI.
- (c) The Transfer will not result in the termination of the Company pursuant to Code Section 708;
- (d) The transferor or the transferee delivers the following information to the Company: (i) the transferee's taxpayer identification number; and (ii) the transferee's initial tax basis in the Transferred Interest; and
- (e) The transferor complies with the provisions of Section 6.1.4.

6.1.2 If the Conditions of Transfer are satisfied, then a Member or Interest Holder may Transfer all or any portion of that Person's Interest. Unless all Members approve the Transfer acquiring all Membership Rights, the Transfer of an Interest pursuant to this Section 6.1 shall not result, however, in the Transfer of any of the transferor's other Membership Rights, if any, and the transferee of the Interest shall have no right to: (i) become a Member; (ii) exercise any Membership Rights other than those specifically

pertaining to the ownership of an Interest; or (iii) act as an agent of the Company. If a transfer of all Membership Rights is approved as aforesaid, the transferee will succeed to all Membership Rights of a Member who transfers such Membership Rights.

6.1.3 Each Member hereby acknowledges the reasonableness of the prohibition contained in this Section 6.1 in view of the purposes of the Company and the relationship of the Members. The Transfer of any Membership Rights or Interests in violation of the prohibition contained in this Section 6.1 shall be deemed invalid, null and void, and of no force or effect. Any Person to whom Membership Rights are attempted to be transferred in violation of this Section shall not be entitled to vote on matters coming before the Members, participate in the management of the Company, act as an agent of the Company, to the maximum extent permitted by law, receive distributions from the Company or have any other rights in or with respect to the Membership Rights.

6.1.4 *Right of First Refusal.*

(a) If an Interest Holder (a "Transferor") desires to Transfer all or any portion of, or any interest or rights in, the Transferor's Interest (the "Transferor Interest"), and he has received a bona fide written offer for the purchase of thereof, payable in cash, which the Transferor desires to accept, he shall, within five (5) days of receipt of the offer, notify the Company and each of the other Members and include a copy of such offer (the "Transfer Notice").

(b) The Company and each of the other Members shall have the option (the "Purchase Option") to purchase all of the Transferor Interest for the price (the "Purchase Price") set forth in the offer, in the following order of priority:

(i) The Company shall have the first right to purchase all or any part of the Transferor Interest for a period of thirty (30) days after delivery of the Transfer Notice. At any time during such 30-day period, the Company may elect to exercise the Purchase Option by giving written notice of its election to the Transferor. The Transferor shall not be deemed a Member for the purpose of voting on whether the Company shall elect to exercise the Purchase Option.

(ii) With respect to any portion of the Transferor Interest not to be purchased by the Company, the remaining Members shall have the subordinate option to purchase the Transferor Interest for a period of thirty (30) days after the expiration of the Company's right to purchase.

(c) If the Company and/or the other Members elect to exercise the Purchase Option, the Company's and Member's notices of election shall fix a closing date for the purchase, which shall not be earlier than five (5) days after the date of the

notice of election or more than thirty (30) days after the expiration of the last exercised Purchase Option, and both of such closing shall occur concurrently.

(d) If neither the Company nor the other Members exercise their Purchase Options for all of the Transferor's Interest, the Transferor shall be permitted to offer and sell for a period of ninety (90) days (the "Free Transfer Period") after all Purchase Options shall have expired at a price not less than the Purchase Price.
