See Exhibit "A" attached hereto and made a part hereof,

and to undertake the performance of the acts and duties incident to the administration of the operation and maintenance of said common areas and in accordance with the terms, provisions, conditions and authorizations contained in these Articles and which may be contained in the Declaration of Covenants, Conditions and Restrictions of Reserve at Meadow Lake (the "Declaration"), which will be recorded in the Public Records of Orange County, Florida, at the time said property, and the improvements now or hereafter situate thereon, are submitted for platting; and to own, operate, lease, sell, trade and otherwise deal with such property, whether real or personal, as may be necessary or convenient in the administration of the Common Areas. The Corporation shall be conducted as a non-profit organization for the benefit of its members.

ARTICLE III - POWERS

The Corporation shall have the following powers:

A. All of the powers and privileges granted to corporations not for profit under the law pursuant to which this Corporation is chartered, and all of the powers and privileges which may be granted unto said Corporation or exercised by it under any other applicable laws of the State of Florida.

B. All of the powers reasonably necessary to implement and effectuate the purposes of the Corporation, including, but not limited to, the following:

1. To make and establish reasonable rules and regulations governing the use of the Lots and Common Areas in accordance with the terms as may be defined in the Declaration. The surface water management permit issued by St. Johns Water Management District (the "District Permit") and all of its conditions shall be attached as an exhibit to the rules and regulations of the Association.

2. To levy and collect assessments against members of the Corporation to defray the common expenses of the maintenance and operation of the Common Areas as may be provided in the Declaration and in the Bylaws of this Corporation which may be hereafter adopted, including the right to levy and collect assessments for the purposes of acquiring, operating, leasing, managing and otherwise trading and dealing with such property, whether real or personal, which may be necessary or convenient in the operation and maintenance of the Common Areas and in accomplishing the purposes set forth in the Declaration.

9. To acquire (by gift, purchase or otherwise), own, hold, improve, build upon, operate, maintain, convey, sell, lease, transfer, dedicate for public use or otherwise dispose of real or personal property in connection with the affairs of the Association.

10. To borrow money, and with the assent of the representatives of two-thirds (2/3rds) of each class of Members, mortgage, pledge, deed in trust, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred.

11. To dedicate, sell or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members. No such dedication, sale or transfer shall be effective unless an instrument has been signed by the representatives of two-thirds (2/3rds) of each class of Members, agreeing to such dedication, sale or transfer; provided, however, that there shall be no requirement of participation by or agreement of the Members in the event the dedication, sale or transfer is incidental to a replatting of any portion of the Common Property.

12. To participate in mergers and consolidations with other nonprofit corporations organized for the same purposes or annex additional residential property and Common Area.

13. To sue and be sued in a court of law.

14. To have and to exercise any and all powers, rights and privileges which a corporation organized under the Non-Profit Corporation Law of the State of Florida by law may now or hereafter have or exercise.

ARTICLE IV - MEMBERS

The qualification of the members, the manner of their admission to membership, termination of such membership, and voting by members shall be as follows:

A. The Declarant, the owners of all Lots in the Subdivision, and any person or entity obligated by these Articles, the By-Laws, or the Declaration to pay an assessment or amenity fee shall be members of the Corporation, and no other persons or entities shall be entitled to membership. Membership is appurtenant to, and inseparable from, ownership of a Lot.

B. Membership shall be established by the acquisition of fee title to a Lot in the Subdivision or by acquisition of a fee ownership interest therein, whether by conveyance, devise, judicial decree or otherwise, and the membership of a party shall be automatically terminated upon his or her being divested of all title to his or her entire fee ownership interest in any Subdivision Lot, except that nothing herein contained shall be construed as terminating the membership of any party who may own two or more Subdivision Lots, so long as such party shall retain title to or a fee ownership interest in any Lot.

C. The interest of a member in the funds and assets of the Corporation cannot be assigned, hypothecated or transferred in any manner, except as an appurtenance to his or her Lot. The funds and assets of the Corporation shall belong solely to the Corporation, subject to

the limitation that the same be expended, held or used for the benefit of the membership and for the purposes authorized herein in the Declaration and in the Bylaws.

D. The Association shall have two classes of voting membership:

1. CLASS A. Class A members shall be all Lot owners and any other person or entity obligated by these Articles, the By-Laws, or the Declaration to pay an assessment or amenity fee, with the exception of the Declarant, and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot.

2. CLASS B. Class B member shall be the Declarant, who shall be entitled to three votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership ("Turnover") on the happening of any of the following events, whichever occurs earlier:

(a) the total votes outstanding in the Class A Membership equals the total votes outstanding in the Class B Membership; or

(b) the date exactly 6 years after the recording of the Declaration; or

(c) at the election of the Declarant (whereupon the Class A members shall be obligated to elect the Board of Directors and assume control of the Association); or

(d) three (3) months after 90% of the Lots have been conveyed to Owners.

Upon the happening of any of these events, Declarant shall call a special meeting of the Association to advise of the termination of Class "B" membership. From and after the happening of these events, whichever occurs earlier, the Class B members shall be deemed Class A members entitled to one (1) vote for each Lot in which they hold the interest required for membership.

ARTICLE V - TERM

Existence of the Corporation shall commence with the filing of these Articles with the Florida Secretary of State. The Corporation shall exist in perpetuity. In the event of termination, dissolution or final liquidation of the Corporation, the responsibility for the operation and maintenance of the surface water or stormwater management systems must be transferred to and accepted by an entity which would comply with Section 40C-42.027, Florida Administrative Code ("F.A.C."), and be approved by the St. Johns River Water Management District prior to such termination, dissolution or liquidation. Any other assets will be dedicated to a public body, or conveyed to a non-profit organization of similar purposes.
