

Thanks for your prompt response. We recently filed a Statement of Change of Registered Agent with the Division of Corporations. The problem is that the zip code that was provided in the form for the Registered Agent office was incorrect. Hence, we only need one small change (see below). I was advised by your customer service department to e-mail/fax you with request for change. Please advise. Thanks.

Dear Sir or Madam:

Our office filed a Statement of Change of Registered Agent form (on behalf of the above referenced corporation) with the Division of Corporations on 6/24/09. The form that was submitted inadvertently listed the zip code for the Registered Agent office address as 33040. Please note that this information needs to be corrected as soon as possible, so as to reflect that the correct zip code for our office is 33134. Kindly, please make this correction to your records at your earliest convenience. Should you have any questions or comments, please contact our office. Thank you.
