To Whom It May Concern:

The above referenced corporation is currently registered or obligated to file a corporation income tax return with the Florida Department of Revenue but it has not qualified to transact business in Florida with the Department of State, Division of Corporations. The corporation must determine whether or not its activities in Florida are considered to "be transacting business" or is it exempt from qualification within the meaning of s.607.1501, Florida Statutes (F.S.). For a list of the activities that do not constitute the transaction of business in Florida, you can access s.607.1501, F.S. from the Division's website at www.sunbiz.org.

Failure to qualify in Florida, if required, may result in penalties. To avoid further action by this office, you must return one of the following within the next forty-five (45) days: If the corporation is transacting business in Florida, complete the enclosed Application and return it with the appropriate fee and documentation. If the corporation is not transacting business in Florida within the meaning of s.607.1501, F.S., fill out and return the enclosed "STATEMENT CONCERNING AUTHORITY TO TRANSACT BUSINESS IN FLORIDA BY A FOREIGN CORPORATION".

Because the Florida Department of State is merely a filing agency, we are unable to render any legal advice. We strongly suggest you seek the advice of an attorney to ascertain compliance with all statutory requirements.

If you have any filing questions regarding this matter, you may call the New Filing Section at (850) 245-6052, press option #2.
