My name is Bryan Miller and I am trying to have my ein number applied to my business name. I have tried numerous times to email in my ein number and have had no success. Im not to sure exactly who needs to get this information but from the nice young lady I spoke to on the phone she stated I needed to fax a copy of the IRS paperwork to this number and that is the only way that this can be done. If someone could please call me if I am working with the wrong department that would be fantastic. I have been trying to resolve this issue since last year and I can not set up my business bank account until this matter is resolved.

Thank you so much ,

Bryan Miller

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 27-4331719. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

A limited liability company (LLC) may file Form 8832, *Entity Classification Election*, and elect to be classified as an association taxable as a corporation. If the LLC is eligible to be treated as a corporation that meets certain tests and it will be electing S corporation status, it must timely file Form 2553, *Election by a Small Business Corporation*. The LLC will be treated as a corporation as of the effective date of the S corporation election and does not need to file Form 8832.
