Thank you for your email.

We are forwarding your EIN update request to the proper section so that this can be updated. There is nothing else that you need to do about this, and your next filing with us will be when you file your first annual report in 2012. No report is due this year.

The Annual Report will be due in January and will be late if not filed by May 1st. Please note that the annual reports are due by May 1st of each year, and you will always use your same document number to access your report each year. You can file the report as early in each year as you would like. It is the responsibility of each entity to file its report by May 1st of each year.

Due to budget restrictions, the Division of Corporations no longer sends reminders by mail.

Thank you.
