(((H13000008275 3)))

person for an act alleged to have been committed by such person in his capacity as Director, officer, employee or agent of the Corporation or any other corporation, partnership, joint venture, trust or other enterprise in which he served at the request of the Corporation, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and reasonably incurred as a result of such action, suit or proceeding or any appeal thereof, if such person acted in good faith in the reasonable belief that such action was in, or not opposed to, the best interests of the Corporation, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in, or not opposed to, the best interests of the Corporation. Such person shall not be entitled to indemnification in relation to matters as to which such person has been adjudged to have been guilty of gross negligence or willful misconduct in the performance of his duties to the Corporation.

(b) Any indemnification under paragraph (a) shall be made by the Corporation only as authorized in the specific case upon a determination that amounts for which a Director or officer seeks indemnification were properly incurred and that such Director or officer acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Corporation, and that, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made either (1) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding, or (2) by a majority vote of a quorum consisting of shareholders who were not parties to such action, suit or proceeding.

(c) The Corporation shall be entitled to assume the defense of any person seeking indemnification pursuant to the provisions of paragraph (a) above upon a preliminary determination by the Board of Directors that such person has met the applicable standards of

conduct set forth in paragraph (a) above, and upon receipt of an undertaking by such person to repay all amounts expended by the Corporation in such defense, unless it shall ultimately be determined that such person is entitled to be indemnified by the Corporation as authorized in this article. If the Corporation elects to assume the defense, such defense shall be conducted by counsel chosen by it and not object to in writing for valid reasons by such person. In the event that the Corporation elects to assume the defense of any such person and retains such counsel, such person shall bear the fees and expenses of any additional counsel retained by him, unless there are conflicting interests between or among such person and other parties represented in the same action, suit or proceeding by the counsel retained by the Corporation, that are, for valid reasons, objected to in writing by such person, in which case the reasonable expenses of such additional representation shall be within the scope of the indemnification intended if such person is ultimately determined to be entitled thereto as authorized in this article.

(d) The foregoing rights of indemnification shall not be deemed to limit in any way the power of the Corporation to indemnify under any applicable law.

(e) The indemnification contained in this Article IX shall not constitute a waiver of the protection of Section 617.0834, Florida Statutes, or any other provision of law exonerating officers or directors of Florida not for profit corporations from liability.

ARTICLE X.

(a) The power of this Corporation shall be exercised, its properties controlled, and its affairs conducted by a board of directors. The initial number of directors of the Corporation shall be thirteen (13); provided, however, that such number may be increased to as many as fifteen (15), or decreased to no less than seven (7), at an annual meeting of the members. The initial board of directors shall consist of the persons named herein. Thereafter, the board of directors shall consist of such persons as may be chosen from time to time in accordance with the Corporation's Bylaws.

(b) The board of directors shall elect such officers as the bylaws of this Corporation may

((H13000008275 3)))

((H13000008275 3)))

authorize the directors to elect from time to time. Such officers shall be initially elected at the organizational meeting of the board of directors.

ARTICLE XI.

Bylaws

The bylaws of the Corporation may be made, altered or rescinded by the affirmative vote of two-thirds of the directors present at any meeting of the Board of Directors at which a quorum is present, provided that a brief description of such proposed action shall have been published in or with the notice of the meeting.

ARTICLE XII.

Amendments to Articles

Amendments to these Articles of Incorporation may be proposed by three or more of the directors, and shall be adopted by the affirmative vote of two-thirds of the Directors present at any meeting of the Board of Directors at which a quorum is present, provided that a brief description of the proposed amendment(s) have been published in or with the notice of the meeting.

ARTICLE XIII.

In the event of dissolution, the residual assets of the Corporation will be turned over to one or more organizations which themselves are exempt as organizations described in Sections 501(c)(3) and 170(c)(2) of the Code, to benefit the inhabitants of Northwest Florida or to the federal, state or local government for exclusively public purposes, as the Board of Directors shall determine. Any such residual assets not so disposed of shall be disposed of by a court of competent jurisdiction in the state in which the principal office of the Corporation is then located, exclusively for charitable, scientific or educational purposes within the meaning Section 501(c)(3) of the Code as said court shall determine.
