**Call us at 800-736-4692**

Senior Home Companions provides many levels of care for you or your family member, whatever their living situation may be - AT HOME, A RETIREMENT CENTER, ASSISTED LIVING, OR A SKILLED REHABILITATION / NURSING FACILITY. We provide only the most qualified and caring companions, certified nursing assistants (C.N.A.'s) and in-home health aids. Senior Home Companions is a private Florida Agency started in 1992. We are NOT a national franchise. We meet individually with potential clients in their homes or facilities to ensure a personal connection. We pride ourselves on carefully matching our providers to meet the special needs of each individual situation.

- HOURLY
- OVERNIGHT CARE
- 24-HOUR CARE

Judy Cuppy of Senior Home Companions is passionate about helping seniors. She brought a new concept to helping the elderly cope with aging issues, without giving up their independence or their homes. This is precisely the purpose for which Senior Home Companions was created in 1992.

Their carefully screened and trained caregiver, "For Seniors by Active Seniors," can provide companionship and professional care during the hours when family members are away. Services are available on either an hourly or live-in basis. These services include light housekeeping, meal planning, preparation, laundry, grocery shopping, transportation, medication reminders and bathing. Often, these services are all that is needed to keep seniors in their own homes.

Judy moved to Sarasota in 1991 after having run a poor relief program in Indiana and working as Recruiting Coordinator in the office of Career Planning and Placement for Valparaiso University. Judy is a member of the Sarasota County Senior Advisory Council, Sarasota Women's Alliance, International Women's Forum, Florida Suncoast Chapter and PEO.

Dear Judy & Carrie,

*Mom loved orchids and always kept them in the house. She would have loved the one you sent for Dad. Thank for the plant and mostly for the care and concern you took to have the right person with mom and dad at the right time. And of course, thank you for rolling with the punches as their needs changed. The Huston/Lublin family is in your debt.*

- Sheri Huston

*"When my grandmother reached the age of 99 and needed 'round-the-clock care, SHC was a godsend. The quality of the care she received was exemplary. Since then, I have referred others to SHC without hesitation. Thanks, SHC."*
