We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refax the complete document, including the electronic filing cover sheet.

The front page of the fax filing needs to be well enough that we can scan the barcode, which as the way it is now it is not good enough. Please abandon this fax audit number and recreate a new one, that we will be able to scan.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6052.
