I'm writing in regards to the recent re-incorporation of our non-profit "Pumped For Change, Inc". The reason is because last year there was a restructuring to our organization whereby it was determined to be dissolved. It was then under document number: N08000007458. After the organization reorganized, we filed for a revocation of dissolution and it was granted. Unfortunately during this time of change, I was not aware that there was still a fee pending for the annual report filing and when I went to file today, was made aware that there would now be a \$297 reinstatement fee. Unfortunately, as a non-profit every penny counts and as such I was advised that I could file for as a "new" non-profit corporation and submit a letter confirming that we are in fact the same corporation.

Please consider this notice that we have filed the annual report as a new corporation under the same name "Pumped For Change, Inc" with new directors and updated address.

If you have any questions, please don't hesitate to call me at 305-371-3955 or email me to pumpedforchange@gmail.com many thanks

Sincerely,

Carlos F. Peña
Chairman
