TO ARTICLES OF INCORPORATION
OF
SYLIOS CORP
DESIGNATION, PREFERENCES AND OTHER RIGHTS
AND QUALIFICATIONS
OF
SERIES D PREFERRED STOCK**

2017 DEC 28 11:13 AM

Pursuant to Section 607.1006 of the Florida Business Corporation Act, the undersigned, being the President of SYLIOS CORP, a Florida corporation (the "Corporation"), bearing Document Number P08000032840, does hereby submit these Articles of Amendment for the purpose of amending the Corporation's Articles of Incorporation as follows:

FIRST: On November 14, 2017, the Board of Directors unanimously approved the designation of a series of preferred stock to be known as "Series D Preferred Stock". The designations, powers, preferences and rights, and the qualifications, limitations or restrictions hereof, in respect of the Series D Preferred Stock shall be as hereinafter described.

Accordingly, "Article V" of the Articles of Incorporation of the Company is hereby amended to include the following:

SERIES D PREFERRED STOCK

1) Designations and Amounts. The Board of Directors of the Company, pursuant to authority granted in the Articles of Incorporation, hereby creates a series of preferred stock designated as Series D Preferred Stock (the "Series D Preferred Stock") with a stated value of \$0.001 par value per share. The number of authorized shares constituting the Series D Preferred Stock shall be Five Hundred Thousand (500,000) shares.

2) Dividends. The holders of Series D Preferred Stock shall be entitled to receive dividends when, as and if declared by the Board of Directors, in its sole discretion.

3) Voting.

a. If at least one share of Series D Preferred Stock is issued and outstanding, then the total aggregate issued shares of Series D Preferred Stock at any given time, regardless of their number, shall have voting rights equal to four times the sum of: i) the total number of shares of Common Stock which are issued and outstanding at the time of voting, plus ii) the total number of shares of Series A, plus Series B, plus Series C Preferred Stocks which are issued and outstanding at the time of voting.

b. Each individual share of Series D Preferred Stock shall have the voting rights equal to:

[four times the sum of: {all shares of Common Stock issued and outstanding at time of voting + all shares of Series A, Series B and Series C Preferred Stocks issued and outstanding at time of voting}]

divided by:

[the number of shares of Series D Preferred Stock issued and outstanding at the time of voting]

4) Conversion Rights.

a) Outstanding. If at least one share of Series D Preferred Stock is issued and outstanding, then the total aggregate issued shares of Series D Preferred Stock at any given time, regardless of their number, shall be convertible into the number of shares of Common Stock defined by the formula set forth in section 4.b.

b) Method of Conversion.

i. Procedure- Before any holder of Series D Preferred Stock shall be entitled to convert the same into shares of common stock, such holder shall surrender the certificate or certificates therefore, duly endorsed, at the office of the Company or of any transfer agent for the Series D Preferred Stock, and shall give written notice 5 business days prior to date of conversion to the Company at its principal corporate office, of the election to convert the same and shall state therein the name or names in which the certificate or certificates for shares of common stock are to be issued. The Company shall, within five business days, issue and deliver at such office to such holder of Series D Preferred Stock, or to the nominee or nominees of such holder, a certificate or certificates for the number of shares of common stock to which such holder shall be entitled as aforesaid. Conversion shall be deemed to have been effected on the date when delivery of notice of an election to convert and certificates for shares is made, and such date is referred to herein as the "Conversion Date."

ii. Issuance- Shares of Series D Preferred Stock may only be issued in exchange for the partial or full retirement of debt held by Management, Employees, Consultants or as directed by a majority vote of the Board of Directors. The number of Shares of Series D Preferred Stock to be issued to each qualified person (member of Management, Employee or Consultant) holding a Note shall be determined by the following formula:

For retirement of debt: One (1) share of Series D Preferred stock shall be issued for each Five Thousand Dollar (\$5,000) tranche of outstanding liability. As an example: If an officer has accrued wages due to him or her in the amount of \$25,000, the officer can elect to accept 5 shares of Series D Preferred stock to satisfy the outstanding obligation of the Company.

iii. Calculation- Each individual share of Series D Preferred Stock shall be convertible into the number of shares of Common Stock equal to:

[5000]

divided by:

[.80 times the lowest closing price of the Company's common stock for the immediate five-day period prior to the receipt of the Notice of Conversion remitted to the Company by the Series D Preferred stock holder]

c) Partial Conversion. In the event of the conversion of some but not all of the shares of Series D Preferred Stock represented by a certificate or certificates surrendered, the Company shall execute and deliver to or on the order of the holder, at the expense of the Company, a new certificate representing the number of shares of Series D Preferred Stock which were not converted.

d) Status of Converted Stock. In the event any shares of Series D Preferred Stock shall be converted or otherwise acquired by the Company, the shares so converted shall be canceled and shall resume the status of authorized shares of preferred stock without differentiation as to series. All such shares may be reissued as part of a new series of preferred stock subject to the conditions and restrictions on

issuance set forth in the Articles of Incorporation or in any certificate of designation creating a series of preferred stock or any similar stock or as otherwise required by law.

e) Transfer Taxes. The Company shall pay all documentary, stamp or other transactional taxes attributable to the issuance or delivery of shares of common stock upon conversion of any shares of Series D Preferred Stock, provided that the Company shall not be required to pay any taxes which may be payable in respect of any transfer involved in the issuance or delivery of any certificate for such shares in a name other than that of the holder of the shares of Series D Preferred Stock in respect of which such shares are being issued.

f) Adjustments to Conversion Rate.

i) Subdivisions, Combinations, or Consolidations of Common Stock. In the event the outstanding shares of common stock shall be subdivided, combined or consolidated, by stock split, stock dividend, combination or like event, into a greater or lesser number of shares of common stock after the effective date of this Certificate of Designation, the Series D Conversion Rate shall not be effected.

ii) Adjustment for Common Stock Dividends and Distributions. If the Company at any time subdivides, combines or consolidates the outstanding shares of common stock as contemplated by Section 4(f)(i), in each such event the Series D Conversion Rate shall not be effected.

iii) Reclassifications and Reorganizations. In the case, at any time after the date hereof, of any capital reorganization, merger or any reclassification of the stock of the Company (other than solely as a result of a stock dividend or subdivision, split-up or combination of shares), the Series D Conversion Rate then in effect shall, concurrently with the effectiveness of such reorganization or reclassification, be proportionately adjusted and the terms of the Series D Preferred Stock shall be deemed amended such that the shares of the Series D Preferred Stock shall, after such reorganization or reclassification, be convertible into the kind and number of shares of stock or other securities or property of the Company or otherwise to which such holder would have been entitled if immediately prior to such reorganization or reclassification, the holder's shares of the Series D Preferred Stock had been converted into common stock. The provisions of this Section 4(f)(iii) shall similarly apply to successive reorganizations or reclassifications.

iv) Distributions Other Than Cash Dividends Out of Retained Earnings. If the Company shall declare a cash dividend upon its common stock payable otherwise than out of retained earnings or shall distribute to holders of its common stock shares of its capital stock (other than shares of common stock and other than as otherwise would result in an adjustment pursuant to this Section 4(f)), stock or other securities of other persons, evidences of indebtedness issued by the Company or other persons, assets (excluding cash dividends) or options or rights (excluding options to purchase and rights to subscribe for common stock or other securities of the Company convertible into or exchangeable for common stock), then, in each such case, provision shall be made so that the holders of Series D Preferred Stock shall receive upon conversion thereof, in addition to the number of shares of common stock receivable thereupon, the amount of securities of the Company and other property which they would have received had their Series D Preferred Stock been converted into common stock on the date of such event and had they thereafter, during the period from the date of such event to and including the date of conversion, retained such securities and other property receivable by them as aforesaid during such period, subject to all other adjustments called for during such period under this Section 4(f) with respect to the rights of the holders of the Series D Preferred Stock.

g) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Series D Conversion Rate pursuant to Section 4(f), the Company at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of the Series D Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Company shall, upon the written request at any time of any holder of Series D Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustments and readjustments; (ii) the Series D Conversion

Rate at the time in effect; and (iii) the number of shares of common stock and the amount, if any, of other securities, cash or property which at the time would be received upon the conversion of the Series D Preferred Stock.

h) Fractional Shares. Fractional shares of Series D Preferred Stock may be issued and all conversion, voting and other rights shall be applied to such fractional shares on a proportional basis; provided, however, that in lieu of any fractional shares of common stock to which the holder of Series D Preferred Stock would be entitled upon conversion or otherwise pursuant hereto, the Company shall issue to such holder, one whole share of common stock. The number of whole shares to be issuable to each holder upon such conversion shall be determined on the basis of the number of shares of common stock issuable upon conversion of the total number of shares of Series D Preferred Stock of such holder at the time converting into common stock.

5) Liquidation.

i) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company, the assets of the Company available for distribution to stockholders shall be distributed among the holders of the shares of Series D Preferred Stock and common stock, pro rata based on the number of shares held by each such holder, treating for this purpose all such securities as if they had been converted to common stock pursuant to the terms hereof immediately prior to such dissolution, liquidation or winding up of the Company.

j) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company which will involve the distribution of assets other than cash, the Company shall promptly engage an independent appraiser to determine the fair market value of the assets to be distributed to the holders of shares of its capital stock. The Company shall, upon receipt of such appraiser's valuation, give prompt written notice to each holder of shares of Series D Preferred Stock of the appraiser's valuation. Any equity securities of other entities to be distributed shall be valued as follows: (i) if the common stock is listed on a national securities exchange or NASDAQ, the last sale price of the common stock in the principal trading market for the common stock on such date or, if there are no sales common stock on that date, then on the next preceding date on which there were any sales of common shares, as reported by the exchange or NASDAQ, as the case may be; or (ii) if the common stock is not listed on a national securities exchange or NASDAQ, but is traded in the over-the-counter market, the closing bid price for the common stock on such date, as quoted by the OTC Bulletin Board or the National Quotation Bureau, Incorporated or similar publisher of such quotations or, if there are no sales common stock on that date, then on the next preceding date on which there were any sales of common shares, as quoted by the OTC Bulletin Board or the National Quotation Bureau, Incorporated or similar publisher of such quotations, as the case may be; or (iii) if the fair market value of the common stock cannot be determined pursuant to clause (i) or (ii) above, such price as the Board of Directors of the Company shall reasonably determine, in good faith.

6) Registration Rights. None.

7) Redemption. The holders of the Series D Preferred Stock shall return shares to the Company upon conversion.

8) No Impairment. Except and to the extent as waived or consented to by the holder, or as otherwise provided herein, the Company shall not by any action, including, without limitation, amending its Articles of Incorporation or Bylaws, or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of the Series D Preferred Stock, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of holders as set forth in this Certificate of Designations against impairment.

9) Loss, Theft, Destruction of Series D Preferred Stock Certificates. Upon receipt of evidence satisfactory to the Company of the loss, theft, destruction or mutilation of shares of Series D Preferred Stock and, in the case of any such loss, theft or destruction, upon receipt of indemnity or security reasonably satisfactory to the Company, or, in the case of any such mutilation, upon surrender and cancellation of the Series D Preferred Stock, the Company shall make, issue and deliver, in lieu of such

lost, stolen, destroyed or mutilated shares of Series D Preferred Stock, new shares of Series D Preferred Stock of like tenor. The Series D Preferred Stock shall be held and owned upon the express condition that the provisions of this Section are exclusive with respect to the replacement of mutilated, destroyed, lost or stolen shares of Series D Preferred Stock and shall preclude any and all other rights and remedies notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement of negotiable instruments or other securities without the surrender thereof.

10) Notices. The holders of the Series D Preferred Stock shall be entitled to receive all communications sent by the Company to the holders of the common stock. Any notice required by the provisions of this Section 9 to be given to the holder of shares of the Series D Preferred Stock shall be deemed given when personally delivered to such holder on or before five business days after the same has been deposited in the United States mail, certified or registered mail, return receipt requested, postage prepaid, and addressed to each holder of record at his address appearing on the books of the Company. In lieu on delivery to the holder of shares of the Series D Preferred Stock, the Company may at its election disseminate news through a national newswire service or directly through the exchange and or market the Company is listed on at the time the news is released.

11) Severability. If any right, preference or limitation of the Series D Preferred Stock set forth herein is invalid, unlawful or incapable of being enforced by reason of any rule, law or public policy, all other rights, preferences and limitations set forth herein that can be given effect without the invalid, unlawful or unenforceable right, preference or limitation shall nevertheless remain in full force and effect, and no right, preference or limitation herein shall be deemed dependent upon any other such right, preference or limitation unless so expressed herein.

The foregoing Amendment was adopted by the Board of Directors of the Company pursuant to the Florida Business Company Act on November 14, 2017. Therefore, the number of votes cast for the Amendment to the Company's Articles of Incorporation was sufficient for approval.

IN WITNESS WHEREOF, the Company has caused this Amendment to its Articles of Incorporation to be executed by its duly authorized officer this December 26, 2017.
