SHEA BUTTER AND CEPA
Replenishing
**DEEP CONDITIONER
TREATMENT**

TO STRENGTHEN AND RESTORE

8 fl oz
(240 mL)

The formula is fast acting to help detangle hair, to create more slip, promote softness, add shine, and helping to create hair fullness and help promote hair growth.

Onion helps foster hair growth and has been recommended for treating hair loss and other scalp problems. With its excellent cleansing, conditioning, nourishing and antibacterial properties, it is found to be quite successful as an agent for natural hair loss treatments. It does this by stimulating proper blood flow, delivering enough oxygen and nutrients to the hair roots to encourage healthy regrowth. Additionally, onions contain important minerals like calcium, potassium, magnesium, as well as vitamins C and B6. Its high sulfur content is also a useful element in promoting hair growth. A high level of sulfur in collagen tissues helps to prevent further hair loss and hair thinning problems.

Directions: After rinsing out shampoo, apply to wet hair. Comb through hair to evenly distribute product. Let sit for 3 minutes then rinse out.

Warning: for external use only; keep out of reach of children.
