BRIGHT ALL ENTERPRISES INC.

Florida Dept. of State,

å

I'm writing to you concerning Bright All Enterprises UBR. I received a form that said fee due is \$550. I thought that was too much and I wondered why it was sent so late in the year. I didn't question it, I just paid it because it said it was due by September 10th. After I sent it I read the fine print and other pages and I realized I paid \$400 in a late fee. I have honestly paid this UBR for seven years so I know if I received the form earlier in the year, I most certainly would have paid it on time. I went through my tax files for this year and there was no form sent earlier this year. I made a phone call the same day I sent the check and they said to write a letter as to why I shouldn't need to pay the late fee. I also went to the bank to cancel the \$550 check. I can't afford to overpay or pay in error. I'm sending a check for the original fee of \$150.00. Please call me concerning this at 954-931-6935.

Thank you,
Victoria Wilson
