Re: Hotwire Communications, Ltd.

Dear Sir or Madam:

Hotwire Communications, Ltd. ("Hotwire") holds a Certificate of Franchise issued by the State of Florida authorizing Hotwire to provide cable television service in various Florida communities (see Attachment).

Please be advised that on April 22, 2021, The Blackstone Group acquired a fifty percent interest in Hotwire. This transaction did not result in the assignment or transfer of any of Hotwire's assets, including the Certificate of Franchise issued by the State of Florida, nor did it result in any changes to the operations or management of Hotwire. Accordingly, given that there has been no "transfer" of Hotwire's Florida Certificate of Franchise to a "successor in interest," Hotwire has determined that the notice requirements of Florida Statutes Section 610.104(7) are inapplicable, and thus we are providing this notice for information purposes only.

Should there be any questions regarding the foregoing, please contact the undersigned.

Very truly yours,

/s/ Arthur H. Harding
