He shall pay into the state treasury to be used for such purposes as the Legislature may determine all moneys collected under the provisions of this law. Such amounts for printing form, postage, files, clerical and other expenses found to be actually necessary in carrying out the provisions of this law are appropriated from such funds not to exceed fifteen thousand dollars annually.

Section 4. The Secretary of State shall cause a notice of the requirements of this Act to be mailed to the last known address of every corporation doing business in the State of Florida which shall fail to file within thirty days after July first, the report called for herein and/or pay the filing fee or tax herein imposed. Every corporation which shall fail to comply with the provisions of this Act within three months after July 1st of each year shall be deemed to be no longer exercising its charter or corporate privilege in this State.

Section 5. Penalty for Failure to File Report. Any corporation failing to comply with the provisions of this law for six months shall not be permitted to maintain any action in any court of this state until such reports are filed and all fees due under this chapter paid.

Section 6. The following shall be exempt from the provisions of this Act: railroad companies, Pullman companies, telephone and telegraph companies, bank and trust companies, building and loan associations, insurance companies, co-operative marketing associations and corporations not for profit; these corporations and companies so exempt from the operation of this Act being regulated by paying excise taxes under other provisions of law.

Section 7. Nothing in this Act shall be construed as to apply to a corporation that has been adjudged bankrupt or dissolved by order of the court, however, such corporations shall file a statement with the Secretary of State setting forth their status in this respect but shall not be required to pay a tax.

Section 8. The Secretary of State shall mail statement as required in Section 4 to corporations of record subject to the provisions of this Act, giving notice of the time in which reports must be filed; provided, however, in case of any Florida corporations having been organized less than twelve months prior to July 1st of any year in which reports are due to be filed and the tax due to be paid and in case of any foreign corporation which has been authorized to do business in Florida for less than twelve months at the time the report is due to be made and the tax is due to be paid, then in that event, the tax due for that year shall be prorated according to the number of months the corporation has been in existence or authorized to do business in this State.

Section 9. All statements required to be filed under this law shall be for the calendar year and shall be due to be filed on July first of such year and the tax payable thereon shall be due to be paid at that time.

Section 10. Any clause or section of this Act which, for any reason, may be held or declared invalid may be eliminated and the remaining portions thereof shall be and remain in full force and be valid in the same manner and to the same extent as if such invalid clause or section had not been incorporated therein.

Section 11. Any corporation paying the maximum fee herein provided for shall not be required to file any reports whatsoever as required by the provisions of this Act.

Section 12. No par value stock; valuation. In the event the shares of stock of any such corporation shall be no par value, then for the purposes of this law, each share shall be deemed or presumed to have value of at least one hundred dollars per share, which presumption may be overcome by actual proof submitted to the Secretary of State. For the purposes of this law the Secretary of State shall make such investigation as he may consider necessary and increase or decrease the value of no par value stock as he may determine to be correct from the proof submitted; and in so doing the Secretary of State may take into consideration all facts with reference to the fair market value of the stock included, the price for which the stock was sold and the surplus as part of the capital structure.
