Section 8. The Secretary of State shall mail statements as required in Section 4 to corporations of record subject to the provisions of this Act, giving notice of the time in which reports must be filed; provided, however, in case of any Florida corporations having been organized less than twelve months prior to July 1st of any year in which reports are due to be filed and the tax due to be paid and in case of any foreign corporation which has been authorized to do business in Florida for less than twelve months at the time the report is due to be made and the tax is due to be paid, then in that event, the tax due for that year shall be pro-rated according to the number of months the corporation has been in existence or authorized to do business in this State.

Section 9. All statements required to be filed under this law shall be for the calendar year and shall be due to be filed on July first of each year and the tax payable thereon shall be due to be paid at that time.

Section 10. Any clause or section of this Act which, for any reason, may be held or declared invalid may be eliminated and the remaining portions thereof shall be and remain in full force and be valid in the same manner and to the same extent as if such invalid clause or section had not been incorporated therein.

Section 11. Any corporation paying the maximum fee herein provided for shall not be required to file any reports whatsoever as required by the provisions of this Act.

Section 12. In the event the shares of stock of any such corporations should be no par value, then for the purpose of this Act, each share shall be deemed or presumed to have value of at least $100.00 per share, which presumption may be overcome by actual proof submitted to the Secretary of State. For the purpose of this Act the Secretary of State is hereby authorized to make such investigation as he may consider necessary and to increase or decrease the value of no-par value stock as he may determine to be correct from the proof submitted.
