Section 9. All statements required to be filed under this Act shall be for the calendar year and where a corporation's fiscal year ends other than the calendar year it shall have ninety days after the ending of its fiscal year in which to file the statement as provided in this Act.

Section 10. Any clause or section of this Act which, for any reason, may be held or declared invalid may be eliminated and the remaining portions thereof shall be and remain in full force and be valid in the same manner and to the same extent as if such invalid clause or section had not been incorporated therein.

Section 11. Any corporation paying the maximum fee herein provided for shall not be required to file any reports whatsoever as required by the provisions of this Act.

Section 12. In the event the shares of stock of any such corporation should be no par value, then for the purposes of this Act, each share shall be deemed or presumed to have value of at least \$100.00 per share, which presumption may be overcome by actual proof submitted to the Secretary of State. For the purposes of this Act the Secretary of State is hereby authorized to make such investigation as he may consider necessary and to increase or decrease the value of no-par value stock as he may determine to be correct from the proof submitted.
