The Series C Preferred Stock shall rank prior to the common stock of the Corporation, \$2 par value (the "Common Stock"), with respect to the payment of dividends and the distribution of assets and shall rank pari passu with the Series A \$4.50 Cumulative Convertible Preferred Stock and the Series B \$2.50 Cumulative Convertible Preferred Stock.

If more than one share of Series C Preferred Stock is surrendered at one time by the same holder, the number of full shares issuable upon conversion thereof shall be computed on the basis of the aggregate number of shares so surrendered. If the conversion of any shares of Series C Preferred Stock results in a fractional share of Common Stock, the Corporation shall pay cash in lieu thereof in an amount equal to such fraction multiplied by the closing price, as defined in subsection (vi) of Paragraph 5(e) below, on the date on which the shares of Series C Preferred Stock were duly surrendered for conversion, or if such date is not a trading date, on the next succeeding trading date.
