CAPITAL STOCK

A. The maximum number of shares of capital stock which the corporation shall be authorized to have outstanding at any time is twenty million (20,000,000) shares of voting common stock with a par value of \$.10 per share and such number of shares of preferred stock not to exceed one million (1,000,000) shares as the board of directors may, in accordance with the provisions of Section 607.047, Florida Statutes, and without further stock-

holder action, by resolution or resolutions, from time to time authorize to be issued in one or more classes and on terms in compliance with Florida law, upon the filing of a certificate as to such resolution or resolutions, with the Department of State of the State of Florida.

B. Each stockholder holding common stock shall have one vote for each share of common stock. Stockholders holding common stock shall have no cumulative voting rights in any election of directors of this corporation.

C. 1. The shares of preferred stock shall be of one class and may be issued in one or more series at one time or from time to time as the board of directors or executive committee may determine.

2. Shares of preferred stock and any series thereof shall have such relative rights and preferences with regard to dividend rates, redemption rights, conversion privileges, with such voting powers, full or limited, or without voting powers and with such other distinguishing characteristics, including designations, preferences and relative, participating, optional or other special rights, and qualifications, limitations, or restrictions thereof, as shall be stated and expressed in the resolution or resolutions providing for the issue thereof adopted by the board of directors or executive committee (and as are not in

contravention of this certificate of incorporation, or any amendment thereto), including (but without limiting the generality of the foregoing) the following:

(a) The distinctive designation and number of shares comprising such series, which number may (except where otherwise provided by the board of directors or executive committee in creating such series) be increased or decreased (but not below the number of shares then outstanding) from time to time by action of the board of directors or executive committee.

(b) The dividend rate or rates, if any, on the shares of such series and the relation which any such dividends shall bear to the dividends payable on any other class or classes or of any other series of capital stock, the terms and conditions upon which and the periods in respect of which any such dividends shall be payable, whether and upon what conditions any such dividends shall be cumulative, and if cumulative, the date or dates from which dividends shall accumulate, whether the shares of such series shall be limited in dividends, if any, or whether they shall or may participate in dividends over and above the dividend rate, if any, provided for the shares of such series, and whether any such dividends shall be payable in cash, in shares of such series, in shares of any other class or classes or of any other series of any class or classes of capital stock of the corporation, or in other property, or in more than one of the foregoing.

(f) Whether the shares of such series shall be convertible into or exchangeable for shares of any other class or classes or of any other series of any class or classes of capital stock of the corporation, and, if so convertible or exchangeable, the price or prices or the rate or rates of conversion or exchange and the method, if any, of adjusting the same, and any other terms and conditions of such conversion or exchange.

(g) Subject to the provisions of paragraph B of Article III as to voting rights, the voting powers, full and/or limited, if any, of the shares of such series; and whether and under what conditions the shares of such series (alone or together with the shares of one or more other series having similar provisions) shall be entitled to vote separately as a single class.

(h) Whether the issuance of any additional shares of such series, or of any shares of any other shares of any other series, shall be subject to restrictions as to issuance or as to the powers, preferences or rights of any such other series.

(i) Any other preferences, privileges and powers, and relative, participating, optional or other special rights, and qualifications, limitations or restrictions of such series, as the board of directors or executive committee may deem advisable and as shall not be inconsistent with the provisions of this certificate of incorporation.

(c) Whether the shares of such series shall be redeemable, the limitations and restrictions with respect to such redemption, the time or times when, the price or prices at which and the manner in which such shares shall be redeemable, including the manner of selecting shares of such series for redemption if less than all shares are to be redeemed.

(d) The rights to which the holders of shares of such series shall be entitled, and the preferences, if any, over any other series (or of any other series over such series), upon the voluntary or involuntary liquidation, dissolution, distribution of assets or winding up of the corporation, which rights may vary depending on whether such liquidation, dissolution, distribution or winding up is voluntary or involuntary; may vary at different dates; and may vary otherwise.

(e) Whether the shares of such series shall be subject to the operation of a purchase, retirement or sinking fund, and, if so, whether and upon what conditions such purchase, retirement or sinking fund shall be cumulative or noncumulative, the extent to which and the manner in which such fund shall be applied to the purchase or redemption of the shares of such series for retirement or to other corporate purposes and the terms and provisions relative to the operation thereof.

3. No dividends shall be paid or declared or set apart for payment on any particular series of preferred stock in respect of any period unless accumulated dividends shall be or shall have been paid, or declared and set apart for payment, pro rata on all shares of preferred stock at the time outstanding of each other series which ranks equally as to dividends with such particular series, so that the amount of dividends declared on such particular series shall bear the same ratio to the amount declared on each such other series as the dividend rate of such particular series shall bear to the dividend rate of such other series.

4. Whenever any shares of preferred stock are redeemed or otherwise retired, other shares may be issued in lieu thereof by the board of directors or executive committee as part of the series of which they were originally a part or as they may be reclassified into and reissued as a part of a new series, or as a part of any other series, all subject to the protective conditions or restrictions of any outstanding series of preferred stock and for such considerations as may be fixed by the board of directors or executive committee.

D. No stock shall be issued until the consideration for such stock has been fully paid, and when so paid shall be issued as fully paid and nonassessable. All or any part of the consideration for stock of the corporation may be paid in by, or

used for the purchase of, real, personal, or intangible property, labor or services, or any combination thereof, at a just valuation thereof as determined by the board of directors or executive committee of the corporation at any regular meeting or at any special meeting pursuant to due notice as provided in the bylaws of the corporation.

E. No holder of common stock of the corporation shall have any preemptive or preferential right of subscription to any shares of any class of stock of the corporation, whether now or hereafter authorized, nor to any securities convertible into stock or securities of the corporation, nor to any options or warrants to acquire such stock or securities issued or sold, nor any right of subscriptions to any thereof.

F. The corporation shall not be required to issue certificates representing any fraction or fractions of a share of stock of any class but may issue in lieu thereof one or more non-dividend bearing and non-voting scrip certificates in such form or forms as shall be approved by the board of directors or executive committee, each representing a fractional interest in respect of one share of stock. Such scrip certificates upon presentation together with similar scrip certificates representing in the aggregate an interest in respect of one or more full shares of stock shall entitle the holders thereof to receive one or more full shares of stock of the class and series,

if any, specified in such scrip certificates. Such scrip certificates may contain such terms and conditions as shall be fixed by the board of directors or the executive committee, and may become void and of no effect after a period to be determined by the board of directors or executive committee and to be specified in such scrip certificates.

G. The corporation, by resolution or resolutions of its board of directors or executive committee, shall have power to create and issue, whether or not in connection with the issue and sale of any shares of stock or any other securities of the corporation, warrants, conversion privileges, rights or options entitling the holders thereof to purchase from the corporation any shares of its capital stock of any class or classes or any other securities of the corporation, or to convert any other securities of the corporation into common stock of the corporation, such warrants, conversion privileges, rights or options to be evidenced by or in such instrument or instruments as shall be approved by the board of directors or executive committee. The terms upon which, the time or times, which may be limited or unlimited in duration, at or within which, and the price or prices (not less than the minimum amount prescribed bylaw, if any) at which any such warrants, convertible securities, rights or options may be issued and any such shares or other securities may be purchased from the corporation, upon

the exercise of any warrant, conversion privilege, right or option shall be such as shall be fixed and stated in the resolution or resolutions of the board of directors or executive committee providing for the creation and issue of such warrants, convertible securities, rights or options. The board of directors or executive committee is hereby authorized to create and issue any such warrants, convertible securities, rights or options, from time to time, for such consideration, and to such persons, firms or corporations, as the board of directors or executive committee may determine.

ARTICLE IV

AMOUNT OF CAPITAL WITH WHICH TO BEGIN BUSINESS

The amount of capital with which this corporation shall commence business shall be \$247,325.80.

ARTICLE V

CORPORATE EXISTENCE

This corporation shall have perpetual existence.

ARTICLE VI

PRINCIPAL PLACE OF BUSINESS

The principal office of this corporation shall be at 744 Riverside Avenue, Jacksonville, Duval County, Florida, but it shall have the right to move said office to any other place within the State of Florida, and it shall have the right to

establish branch offices at other places within or without the State of Florida and within or without the United States of America.

ARTICLE VII

NUMBER OF DIRECTORS

The number of directors of this corporation is ten (10), but may be changed, but not to less than three (3), by the affirmative vote of a majority of the whole Board of Directors at the time in office or by the affirmative vote of the holders of at least 75% of the shares of stock of this corporation entitled to vote thereon. The directors shall be divided into four classes, apportioned as follows: Class I shall consist of two directors; Class II shall consist of three directors; Class III shall consist of two directors; and Class IV shall consist of three directors. The respective initial terms of office for each class of directors shall be as follows: the initial term of Class I directors will expire at the Annual Meeting of Stockholders in 1984; the initial term of Class II directors will expire at the Annual Meeting of Stockholders in 1985; the initial term of Class III directors will expire at the Annual Meeting of Stockholders in 1986; and the initial term of Class IV directors will expire at the Annual Meeting of Stockholders in 1987. After the expiration of the applicable initial term, each successive term of office for each class of directors shall be four years.

If the number of directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain, as nearly as may be practicable, an equal number of directors in each class. Any vacancy occurring in the Board of Directors may be filled by the affirmative vote of a majority of the remaining directors, though less than a quorum. Any director of any class elected to fill a vacancy, including a vacancy resulting from an increase in the number of directors, shall hold office for a term that shall coincide with the remaining term of that class. In no case, however, will a decrease in the number of directors shorten the term of any incumbent director. A director shall hold office until the annual meeting for the year in which his term expires and until his successor shall be elected and shall qualify. A director may only be removed for "cause", which shall be defined for these purposes as a conviction of a felony, declaration of unsound mind by a court order, adjudication of bankruptcy, non-acceptance of office or such director having been adjudged by a court of competent jurisdiction to be liable for negligence or misconduct in the performance of his duty to this corporation in a matter of substantial importance to this corporation and such adjudication is no longer subject to direct appeal. This Article may be amended or repealed only by the affirmative vote of the holders of at least 75% of the shares of stock of this corporation entitled to vote thereon.

ARTICLE XI
INDEMNIFICATION

A. The corporation shall indemnify and hold harmless each person, his heirs, executors and administrators, who shall serve at anytime as a director or officer of the corporation or, at its request, of any other corporation, partnership, joint venture, trust, or other enterprise, from and against any and all claims and liabilities to which such person shall have become subject by reason of his being or having heretofore or hereafter been a

director or officer of the corporation, or of any other such corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been heretofore or hereafter taken or omitted by such person as such director or officer, such indemnification to be in accordance with the laws of the State of Florida as now in existence or as hereafter amended.

D. If any part of this Article XI shall be found in any proceeding to be invalid or ineffective, the remaining provisions shall not be affected.

ARTICLE XII
SELF DEALING

No contract, act or other transaction between the corporation and any other person, firm or corporation in the absence of fraud, shall be invalidated, vitiated or in any way affected by the fact that any one or more of the directors of the corporation is or are (i) a party or parties to or interested in such contract, act or transaction or (ii) interested in or a director or officer or directors or officers of such other corporation. Any director or directors individually or jointly may in the absence of fraud, be a party or parties to or may be interested in any contract, act or transaction of this corporation or in which this corporation is interested. Each and every person who may become a director of this corporation is hereby relieved in the absence of fraud, from any obligation to account for profits and from all other liability which might otherwise arise by reason of contracting with the corporation for the benefit of himself or any other person or any firm, association or corporation in which he may be in any way interested or in which he may be an officer or director. The foregoing provisions shall be applicable notwithstanding that the director or directors referred to shall have voted for or shall have been necessary to authorize the contract, act or transaction in question, or that he or they shall have been present or

necessary to constitute a quorum at the meeting which authorized such contract, act or transaction.
