RE: 1998 Profit Corporation Annual Report
Document No. #148582 - General Plumbing, Inc.

Dear Sirs;

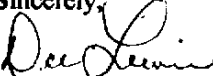

Our corporation received the 2nd Notice for filing of our Annual Report on Wednesday, July 1, 1998. We unfortunately never received the 1st Notice which we should have been sent at the beginning of the year according to your representative. When we contacted your offices today, we were advised to send an explanation along with our check in the amount of \$165.00, in hopes that you would waive any penalties for this delay in submission.

The corporation has been in existence for over 50 years, but new ownership occurred beginning January 1, 1997. To the best of my knowledge, during all those years, General Plumbing Inc. has never been late in filing their corporate report, and if we had received the 1st Notice, would not have been late this year. We ask your understanding regarding this matter, and respectfully request that you waive any late filing fees and accept this application and payment as sent.

Upon receipt of this 2nd Notice, it appears that the information provided to your offices last year as far as corporate officer changes was entered incorrectly. I have enclosed a copy of the form which we submitted last year, showing the deletion of Otto Newhart as President, but he appears on this years report again.

If we will be required to send addition money, please advise and we will promptly send the necessary amount.

Thank you for you attention regarding this matter.

Sincerely,

Dee Lewis
Bookkeeper
