Section 8. The Secretary of State shall mail statement as required in Section 4 to corporations of record subject to the provisions of this Act, giving notice of the time in which reports must be filed; provided, however, in case of any Florida corporations having been organized less than twelve months prior to July 1st of any year in which reports are due to be filed and the tax due to be paid and in case of any foreign corporation which has been authorized to do business in Florida for less than twelve months at the time the report is due to be made and the tax is due to be paid, then in that event, the tax due for that year shall be pro-rated according to the number of months the corporation has been in existence or authorized to do business in this State.

Section 9. All statements required to be filed under this law shall be for the calendar year and shall be due to be filed on July first of such year and the tax payable thereon shall be due to be paid at that time.

Section 10. Any clause or section of this Act which, for any reason, may be held or declared invalid may be eliminated and the remaining portions thereof shall be and remain in full force and be valid in the same manner and to the same extent as if such invalid clause or section had not been incorporated therein.

Section 11. Any corporation paying the maximum fee herein provided for shall not be required to file any reports whatsoever as required by the provisions of this Act.

Section 12. No par value stock; valuation. In the event the shares of stock of any such corporation shall be no par value, then for the purposes of this law, each share shall be deemed or presumed to have value of at least one hundred dollars per share, which presumption may be overcome by actual proof submitted to the Secretary of State. For the purposes of this law the Secretary of State shall make such investigation as he may consider necessary and increase or decrease the value of no par value stock as he may determine to be correct from the proof submitted; and in so doing the Secretary of State may take into consideration all facts with reference to the fair market value of the stock included, the price for which the stock was sold and the surplus as part of the capital structure.

ANNUAL CORPORATION CAPITAL STOCK TAX LAW

§608.32 Annual report of corporation; contents.—

(1) All corporations heretofore or hereafter incorporated in this state and all foreign corporations heretofore or hereafter authorized to do business in this state are required to file with the secretary of state on or before July 1st of each year a sworn report, on such form as the secretary of state shall prescribe, giving (a) the name of each officer and director and his post office address, (b) the home office of the corporation, (c) the name and address of the resident agent on whom service of process may be made, (d) the nature of business engaged in by the corporation, (e) the date of the last meeting of its board of directors, (f) whether the corporation has been actively engaged in business during the previous twelve (12) months or if its charter powers have been dormant and unused during that period, (g) the number of shares of the capital stock of such corporation with its par value thereof, (h) the total amount of capital stock located for use in the State of Florida, (i) such other information as may be needed to show whether the corporation is active or inactive, and (j) such other information as may be necessary for the secretary of state to have in carrying out the provisions of this section and §608.33.

(2) Provided, that railroad, pullman, telephone, telegraph, insurance, banking and trust companies, building and loan associations, cooperative associations, corporations not for profit and corporations paying the maximum capital stock tax, shall be required to furnish the information required under this section through (f) of subsection (1) hereof only.

(3) All reports herein required shall be for the calendar year and shall be due to be filed on July 1st of each year and the tax payable under §608.33 shall be paid at that time.

§608.33 Capital stock tax.—

(1) Every corporation, except railroad, pullman, telephone, telegraph, insurance, banking and trust companies, building and loan associations, cooperative marketing associations and corporations not for profit, doing business in this state shall pay to the state for the use of the state a capital stock tax according to the following schedule:

SCHEDULE FOR CAPITAL STOCK TAX

For all corporations with capital stock not exceeding \$10,000.00.....	\$ 10.00
For capital stock over \$10,000.00 and not over \$25,000.00.....	25.00
For capital stock of over \$25,000.00 and not over \$50,000.00.....	50.00
For capital stock of over \$50,000.00 and not over \$100,000.00.....	75.00
For capital stock of over \$100,000.00 and not over \$200,000.00.....	100.00
For capital stock of over \$200,000.00 and not over \$500,000.00.....	200.00

For capital stock of over \$500,000.00 and not over \$1,000,000.00.....	500.00
For capital stock of over \$1,000,000.00 and not over \$2,000,000.00.....	750.00
For capital stock of over \$2,000,000.00.....	1,000.00

The capital stock above mentioned refers to the invested capital represented by shares of stock outstanding.

(2) In the case of any Florida corporation having been organized or any foreign corporation which has been authorized to do business in Florida, less than twelve (12) months at the time the report is due and the capital stock tax is to be paid, the tax due that year shall be pro rated according to the number of months the corporation has been in existence or authorized to do business in this state.

(3) Nothing in this section or in §608.32 shall apply to any corporation that has been adjudged bankrupt, or dissolved by order of court except that any such corporation shall file a statement setting forth its status in that respect, but shall not be required to pay the capital stock tax.

(4) In the event any of the shares of stock of any such corporation should be no par value, then for the purposes of this section, each share shall be presumed to have value of at least one hundred dollars (\$100.00) per share, which presumption may be overcome by actual proof submitted to the secretary of state. The secretary of state shall make such investigation as he may consider necessary and increase or decrease the value of no par value stock as he may determine to be correct; and in so doing he may take into consideration all facts tending to show the fair market value of the stock, including its sale price, the amount of the surplus of the corporation and such other pertinent facts as he may deem advisable.

§608.34. Duties of secretary of state.—The secretary of state shall prescribe the form and furnish the blanks upon request to make the annual reports called for in §608.32, examine the reports when received and if the information called for is given in such reports, he shall file the same as information and keep such reports as public records. He shall pay into the state treasury to be used for such purposes as the legislature may determine all moneys collected under the provisions of §608.33. He shall cause a notice of the requirements of §§608.32-608.33, to be mailed to the last known address of every corporation doing business in the state which shall fail to file within thirty (30) days after July 1st, the report required by §608.32 or pay the capital stock tax imposed by §608.33.

§608.35 Penalty for failure to file report and pay tax.—Any corporation failing to comply with the provisions of §§608.32 and 608.33 for six (6) months shall not be permitted to maintain or defend any action in any court of this state until such reports are filed and all taxes due under this chapter be paid.
