ARTICLE V

(1) The aggregate number of shares which the corporation shall have authority to issue is 10,000,000 shares, without par value per share, of common stock ("Common Stock") and 10,000 shares, without par value per share, of preferred stock ("Preferred Stock").

(2) The Board of Directors is authorized, subject to limitations prescribed by law and the provisions of this Article VI, to provide for the issuance of the shares of Preferred Stock in series, and by filing articles of amendment which are effective without shareholder approval pursuant to the applicable law of the State of Florida, to establish from time to time the number of shares to be included in each such series, and to fix the designation, powers, preferences and rights of the shares of each such series and the qualification, limitations or restrictions thereof.

Section 1. Terms Authorized. The authority of the Board of Directors with respect to each series shall include determination of the following:

- (a) The number of shares constituting that series and the distinctive designation of that series;
- (b) The dividend rate, if any, on the shares of that series;
- (c) Whether that series shall have conversion privileges, and, if so, the terms and conditions of such conversion, including provision for adjustment of the conversion rate in such events as the Board of directors shall determine;
- (d) Whether or not the shares of that series shall be redeemable, and, if so, the terms and conditions of such redemption, including the date or dates upon or after which they shall be redeemable and the amount per share payable in case of redemption, which amount may vary under different conditions and at different redemption dates;
- (e) Whether that series shall have a sinking fund for the redemption or purchase of shares of that series, and, if so, the terms and amounts of such sinking fund;
- (f) The rights of the shares of that series in the event of voluntary or involuntary liquidation, dissolution or winding up of the corporation, and the relative rights of priority, if any, of payment of shares of that series; and
- (g) Any other relative rights, preferences and limitations of that series that are permitted by law to vary.

Section 2. Designation. There shall initially be two series of Preferred Stock, with the designation and number of shares as follows:

Designation

Number of Shares

Series A Preferred Stock 5,000
("Series A Stock")

Series B Preferred Stock 5,000
("Series B Stock")

On the filing of articles of amendment which are effective without shareholder approval with the office of the Corporation Commission of the State of Florida pursuant to the Florida Business Corporation Act (a "Preferred Certificate") with respect to any series of Preferred Stock other than Series A or Series B Stock, any shares of Series A or Series B Preferred Stock not previously issued shall no longer be authorized for issuance by the corporation pursuant to this Article VI (2) but shall remain authorized but unissued shares of Preferred Stock available for issuance pursuant to a duly filed Preferred Certificate.

ARTICLE VI

No holder of shares or securities of the corporation now or hereafter authorized shall have any preemptive right or be entitled as of right to subscribe for, purchase or receive any unissued or treasury shares of any class, whether now or hereafter authorized, or any notes, bonds, debentures, or other securities convertible into, or carrying options or warrants to purchase, shares of any class; but all such unissued or treasury shares of any class, or notes, bonds, debentures or other securities convertible into, or carrying options or warrants to purchase, shares of any class may be issued or disposed of by the Board of Directors to such persons on such terms as it, in its absolute discretion, may deem advisable.

ARTICLE VII

This corporation shall have the right to purchase its own shares to the extent of any unreserved and unrestricted surplus available therefor, whether capital surplus or earned surplus.

ARTICLE VIII

Any vacancy occurring in the Board of Directors may be filled by the affirmative vote of a majority of the remaining directors, though less than a quorum of the Board of Directors, or by a sole remaining director. Any directorship to be filled by reason of an increase in the number of directors of the corporation may be filled by the affirmative vote of a majority of the number of directors fixed as provided by the Bylaws prior to such increase. Any such directorship not so filled by the directors shall be filled by election at the next annual meeting of shareholders or at a special meeting of shareholders called for that purpose.

ARTICLE IX

No director of the corporation shall be personally liable to the corporation or its shareholders for monetary damages for conduct as a director; provided that this Article IX shall not eliminate the liability of a director for any act or omission for which such elimination of liability is not permitted under Chapter 607 Florida Statutes (FS). No amendment to the Florida Statutes that further limits the acts or omissions for which elimination of a liability is permitted shall affect the liability of a director for any act or omission which occurs prior to the effective date of such amendment.

ARTICLE X

The corporation shall indemnify to the fullest extent permitted by Chapter 607.0850 Florida Statutes (FS) any person who is made, or threatened to be made, a party to an action, suit or proceeding, whether civil, criminal, administrative, investigative, or otherwise (including an action, suite or proceeding by or in the right of the corporation) by reason of the fact that the person is or was a director or officer of the corporation or a fiduciary within the meaning of the Employee Retirement Income Security Act of 1974, with respect to any employee benefit plan of the corporation, or serves or served at the request of the corporation as a director of officer, or as a fiduciary of an employee benefit plan of another corporation, partnership, joint venture, trust or other enterprise.
