This is not technically a resignation (because I do not serve in the positions listed), but is instead a request to change a false designation of my status that was filed on April 26, 2012 by Marion Lean and to request removal of my name on that filing. I just learned this week about the improper April 26, 2012 filing by Marion Lean (in which she certified that the information was "true and correct" and that her signature "shall have the same legal effect as if made under oath"), which falsely states that I am the treasurer and director of Chemical Sales Corporation. In fact, I do not serve in either role, and have not been involved in this company for years. I do not consent to serving as treasurer or director of Chemical Sales Corporation, and no one asked my permission to list me in those capacities before making the April 26, 2012 filing. Please ensure that my name is removed as soon as possible."
