To Whom It May Concern:

We are submitting the Annual Report for Brightwater Tower late for the following reasons and request leniency in regard to the penalty for late filing. Brightwater Tower of Snell Isle, Inc. is filing late because the election of directors had to be re-scheduled and additionally they had to schedule another meeting on top of that for a runoff election to the board of directors because of a tie. All of this before they could elect their officers. On top of this, a director then resigned from the board before officers were elected as well and had to be replaced prior to electing their officers. This did not finalize until late April and as you can see the UBR was not signed until the 29th of April. The Board of Directors would appreciate your consideration over this unfortunate circumstance and waive the penalty. The Board of Directors will abide by whatever decision you make and will pay whatever difference there may be should the decision goes against the association.

Respectfully submitted
