To whom it may concern,

I was doing a research because a lot of things has been going on at Ro-Len Lake Garden B Corporations, my name is Marlene Blanco and I live at 820 SW. 11th Ave., Apt. 12 A Hallandale Florida 33009 I have been living here for the past 20 years I just came across that they have me as treasurer. I have never done anything with the treasury at all. I have been the Director of building B for the past seven years, I'm informing you to let you know I did not give permission. I did not sign any documentation and I have never allow anybody to use my name to their advantage, and I have not signed anything at all so I would like you to investigate this I have been living here for many years and I have nothing to do with the treasury and I did not give no one permission to put me as the treasurer, the only thing I have been, is the Director of my building B. I would like you to investigate who gave permission because I did not give no one permission to use my name. That's treasury was Sylvie Roy. She's been the treasury forever. She sold her apartment in May 20, 2023, and she went back to Canada but I have never been in the treasury department. Including you will find copies so you could see I've been living here for 20 years I am the owner and also you could see that Sylvie Roy lived here and also the new owner so you guys could investigate. And please update your records and take me off from being a treasurer. Thank you for your cooperation in this matter.

Sincerely,

Marlene Blanco
