RE: Don-Roy Enterprises, Inc. FEI# 5-1196668

Dear Sirs:

Enclosed is the 2001 Uniform Business Report for the above referenced taxpayer along with a check for \$150.00.

We discovered this form today when we began our work on the annual income tax return. This is the first year that our firm has filed tax returns for this taxpayer. Also, this is the first time our firm has completed this particular report for any client. We did not realize there was anything that needed to be filed on a different date than the regular income tax return, which is due on August 15th, 2001. Therefore, this report is late.

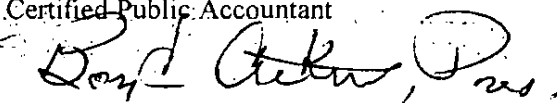

Further, the accountant that prepared the tax returns and the Uniform Business Report in the past had a stroke and is completely incapacitated. Also, to make matters worse, the Vice President, who usually handles these sort of duties, had a heart attack on February 14, 2001 and was out of work for several months. As you can see, this has not been a normal year for this corporation.

Based on these unusual circumstances, we respectfully request that you abate the penalties, which are normally imposed. We will make every effort to prevent this mistake in the future.

If you have further questions, please contact this office.

Sincerely,

Bruce M. Chapman
Certified Public Accountant

Don Roy, Pres.
